(Re)Writing Craft Tim Mayers, 2005-06-10 Re Writing Craft focuses on the gap that exists in many English departments between creative writers and compositionists on one hand and literary scholars on the other in

an effort to radically transform the way English studies are organized and practiced today In proposing a new form of writing he calls craft criticism Mayers himself a compositionist and creative writer explores the connections between creative writing and composition studies programs which currently exist as separate fields within the larger and more amorphous field of English studies If creative writing and composition studies are brought together in productive dialogue they can in his view succeed in inverting the common hierarchy in English departments that privileges interpretation of literature over the teaching of writing

Poetry and Pedagogy J. Retallack,J. Spahr,2016-04-30 This anthology is a new reading of the contemporary poetries The collection gathers together the work of a number of scholars poets and teachers on the challenges and productive possibilities that arise when teaching contemporary writing today **Mahmoud Darwish, Exile's Poet** Hala Khamis Nassar,Najat (ed.) Rahman,2008 Mahmoud Darwish s work has long been considered seminal in shaping modern Arabic poetry He has received wide international recognition and is regarded as a contender for the Nobel Prize Often deemed the Poet of the Resistance no substantial critical study exists that addresses the complexity of Darwish s poetry in rewriting the homeland and articulating exile His later poetry consciously marks a move away from his earlier portrayals of identity home and poetry yet many critics have failed to take note of this shift His oeuvre yokes poetry and history the political and the poetic probing identities in perpetual exile This book examines the complex connections between poetry myth lyric prose and history in Darwish s poetry The scholarly articles in this volume situate his work in relation to both modern Arabic and world poetry In addition the articles address issues such as the future of poetry the role of the poet language cultural heritage lyrical modes as well as the relationship of place and identity *Poetry's Playground* Joseph T. Thomas,2007 The first book length study of contemporary American children s poetry *Poetry s Playground* considers children s poetry in relation to the wider scope of adult poetic discourse While the study of children s poetry has always had a place in the realm of children s literature scholars have not typically considered it in relation to the larger scope of contemporary poetry In this volume Joseph T Thomas Jr explores the playground of children s poetry within the world of contemporary adult poetic discourse bringing the complex social relations of play and games cliques and fashions and drama and humor in children s poetry to light for the first time *Poetry s Playground* considers children s poetry published in the United States from the mid twentieth century onward a time when many established adult poets began writing for young audiences Through the work of major figures like Robert Frost Gwendolyn Brooks Carl Sandburg Randall Jarrell Theodore Roethke Shel Silverstein and Jack Prelutsky Thomas explores children s poems within the critical and historical conversations surrounding adult texts arguing at the same time that children s poetry is an oft neglected but crucial part of the American poetic tradition Canonical issues are central to *Poetry s Playground* The volume begins by tracing Robert Frost s emergence as the United States official school poet exploring the political and aesthetic dimensions of his canonization and considering which other poets were pushed aside as a result The study also includes a look at eight major anthologies of children s poems in the United States offering a descriptive canon that will be invaluable to future scholarship Additionally *Poetry s Playground* addresses poetry actually written and performed by children exploring the connections between folk poetry produced both on playgrounds and in the classroom *Poetry s Playground* is a groundbreaking study that makes bold connections between children s and adult

poetry This book will be of interest to poets scholars of poetry and children s literature as well as students and teachers of literary history cultural anthropology and contemporary poetry *From the Other Side of the Century* Douglas Messerli,1994 Since 1970 many readers have waited for another anthology that incorporates poets writing after Donald Allen s 1960 *The New American Poetry* Organized into somewhat arbitrary and non rigid categories these selections present poetry that has reshaped our language culture and thought for the past 30 years **The Mechanics of the Mirage** Michel Delville,Christine Pagnouille,2000 *Talisman* ,2001 *Indian Literature in English* Satish Barbuddhe,2007 Most of the papers presented at various national and international seminars *Virtual Reality* Bob Perelman,1993 **Anthology of Magazine Verse and Yearbook of American Poetry, 1997** Alan F.
