

Lotus Notes Workspace

The main screen for Lotus Notes 4.6 is the **Workspace**. The **Workspace** contains different pages that contain items for the database you are working in. Notes 4.6 returns to the **Workspace** at any time, either **Workspace** from the **Window** menu.

- **Title Bar** — shows the name of the workspace and the program's name. In a database it displays the view and the database name.
- **Name Bar** — displays items with comments and an icon.
- **SmartIcon Bar** — contains the SmartIcons that allow you to perform actions quickly.
- **Workspace Page Title** — can be hidden, and allow you to move between pages.
- **Database Icons** — used to access databases which contain documents relating to the same topic.
- **Workspace Page** — access the workspace which contains database items.
- **HelpArea** — page that contains database explanation (see page 44).
- **Status Bar** — displays system condition messages, icons, pop-up boxes and other information.

Customizing Workspace Properties Customizing Tabs

You can customize tabs by moving them and by changing the Color of the tabs.

1. Right-click on the tab you wish to customize.
2. Select **Workspace Properties**.
3. Enter the name of the tab in the **Workspace page name** text box.
4. Choose a color for the tab by selecting it from the **Tab color** drop-down menu.

Adding a New Page

By default the **Workspace** has no pages from the **Navigator** page. This can be done by all workspace pages.

1. Right-click a workspace tab to the right of where you want the new page to be created.
2. Select **Create Workspace Page** from the pop-up menu.
3. If prompted, click the **Yes** button to add the workspace page and agree to your settings (or to click the **No** button to prevent adding the page).

Deleting a Page

1. Click on the workspace tab that you want to delete.
2. Press the **Delete** key.
3. Click on the **Yes** button to confirm the deletion on the **Yes** button to delete it.

Note: If you delete a workspace page that contains database items, they will be removed from the workspace when the page is deleted.

Moving Icons

- To move an icon on the current page, click and drag the icon. Release the mouse button when the icon is at the desired location.
- To arrange all icons on the current page at once, right-click on a blank area of the page and select **Arrange Icons** from the menu items. The icons will be arranged in a straight line from left to right and top to bottom on the page.
- To move an icon to another page, click and drag the icon to the tab of the new page. When a system appears around the top of the new page, release the mouse button.

Databases

A **Notes** database contains documents relating to a single area of interest. Many databases are custom designed for a specific user, but the **Mail**, **Directory**, **Web Navigator** and **Address** databases are included with **Notes**.

Opening a Database

1. **Double-click** the database icon on your workspace.
2. The first time you open a database you may see a document called **About this Database**. It will describe the purpose of the database. To access the document quickly, choose **About this Database** from the **File** menu.
3. To access information about using the database select **Using this Database** from the **Help** menu.

Note: To close the database and return to the workspace, hit the **Esc** key.

Working with Documents

A document is a collection of text or records that contain data entries. Information is entered into fields in the document which are enclosed by **Form** brackets.

- To open a document, click on the document title.
- To close a document and return to the database menu, hit the **Esc** key.
- To close a document and view the next document, click the **Next Document** button on the SmartIcons bar.
- To close a document and view the next record document, click the **Next Record** button on the SmartIcons bar.

Lotus Notes 46 Quick Source Guide Introduction

In today's digital age, the availability of Lotus Notes 46 Quick Source Guide books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Lotus Notes 46 Quick Source Guide books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Lotus Notes 46 Quick Source Guide books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Lotus Notes 46 Quick Source Guide versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Lotus Notes 46 Quick Source Guide books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Lotus Notes 46 Quick Source Guide books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Lotus Notes 46 Quick Source Guide books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and

contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Lotus Notes 46 Quick Source Guide books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Lotus Notes 46 Quick Source Guide books and manuals for download and embark on your journey of knowledge?
