

# MARINE WASTE MANAGEMENT

An underwater photograph showing various pieces of marine waste. In the foreground, a large, crumpled clear plastic bag is prominent, with a bright green plastic straw protruding from it. To the left, a smaller blue plastic bag is visible. In the background, a long, thin piece of brown seaweed or kelp is draped across the frame, with a small, colorful plastic container attached to it. The water is a deep, clear blue, and the overall scene illustrates the problem of marine pollution.
