Mound City Chronicles:

Mound City Chronicles William Stage,1991 **The Mound City Chronicles** Dennis E. Park,2007 *The CCC Chronicles* Alfred Emile Cornebise,2004-04-16 When Franklin Delano Roosevelt founded the Civilian Conservation Corps in 1933 newspapers relating to the organization were launched almost immediately Happy Days the semi official newspaper of the CCC and other such publications served as soundings boards for opinions among the CCC enrollees encouraged and instructed the men as they assumed their new roles and generally supported the aims of Roosevelt s New Deal program Happy Days also encouraged and instructed editors in the production of camp newspapers well over 5 000 were published by almost 3 000 of the CCC companies from 1933 to 1942 This book considers all phases of life in the CCC throughout its existence from various perspectives and analyzes the history of CCC camp journalism As the author points out the CCC newspapers were and still are significant because they provide readers with a look at American life socially politically culturally and militarily during the Great Depression It also focuses on how Happy Days and other newspapers were created and distributed who wrote for them and what they contained *Mound City* Patricia Cleary,2024-06-07 Winner of the 2025 Midland Authors Award in the History category Nearly one thousand years ago Native peoples built a satellite suburb of America s great metropolis on the site that later became St Louis At its height as many as 30 000 people lived in and around present day Cahokia Illinois While the mounds around Cahokia survive today as part of a state historic site and UNESCO world heritage site the monumental earthworks that stood on the western shore of the Mississippi were razed in the 1800s But before and after they fell the mounds held an important place in St Louis history earning it the nickname Mound City For decades the city had an Indigenous reputation Tourists came to marvel at the mounds and to see tribal delegations in town for trade and diplomacy As the city grew St Louisans repurposed the mounds for a reservoir a restaurant and railroad landfill in the process destroying cultural artifacts and sacred burial sites Despite evidence to the contrary some white Americans declared the mounds natural features not built ones and cheered their leveling Others espoused far fetched theories about a lost race of Mound Builders killed by the ancestors of contemporary tribes Ignoring Indigenous people s connections to the mounds white Americans positioned themselves as the legitimate inheritors of the land and asserted that modern Native peoples were destined to vanish Such views underpinned coerced treaties and forced removals and when Indigenous peoples resisted military action The idea of the Vanishing Indian also fueled the erasure of Indigenous peoples histories a practice that continued in the 1900s in civic celebrations that featured white St Louisans playing Indian and heritage groups claiming the mounds as part of their own history Yet Native peoples endured and in recent years have successfully begun to reclaim the sole monumental mound remaining within city limits Drawing on a wide range of sources Patricia Cleary explores the layers of St Louis s Indigenous history Along with the first in depth overview of the life death and afterlife of the mounds *Mound City* offers a gripping account of how Indigenous histories have shaped the city s growth landscape and civic culture

The Commercial and Financial Chronicle ,1904 **Chronicles of Notre Dame Du Lac** Edward Sorin,1992 A running account of the history of the U of Notre Dame from its foundation in 1842 through the end of the Civil War written by the man honored as its founder Edward Sorin who left France in 1841 to head the first band of missionaries sent by the Congregation of Holy Cross to the New World Annot

Fading Ads of St. Louis Wm. Stage,2013-09-24 Before the billboard radio or television commercial there was the painted ad Today these aging ads capture the imagination harkening back to a bygone era Vanishing paint on brick walls speaks to a time when commerce was much simpler and much more direct Few cities in America have produced as many intriguing fading ads as St Louis Fewer still are home to such an expert on the subject as author Wm Stage For decades Stage has studied and researched the lost art form of the painted ad carefully tracking the history of this hands on approach to advertising from its lustrous heyday to its disappearing present Join Stage on a tour through St Louis s fading ads hidden in plain sight

Sweet Freedom's Plains Shirley Ann Wilson Moore,2016-10-20 The westward migration of nearly half a million Americans in the mid nineteenth century looms large in U S history Classic images of rugged Euro Americans traversing the plains in their prairie schooners still stir the popular imagination But this traditional narrative no matter how alluring falls short of the actual and far more complex reality of the overland trails Among the diverse peoples who converged on the western frontier were African American pioneers men women and children Whether enslaved or free they too were involved in this transformative movement Sweet Freedom s Plains is a powerful retelling of the migration story from their perspective Tracing the journeys of black overlanders who traveled the Mormon California Oregon and other trails Shirley Ann Wilson Moore describes in vivid detail what they left behind what they encountered along the way and what they expected to find in their new western homes She argues that African Americans understood advancement and prosperity in ways unique to their situation as an enslaved and racially persecuted people even as they shared many of the same hopes and dreams held by their white contemporaries For African Americans the journey westward marked the beginning of liberation and transformation At the same time black emigrants aspirations often came into sharp conflict with real world conditions in the West Although many scholars have focused on African Americans who settled in the urban West their early trailblazing voyages into the Oregon Country Utah Territory New Mexico Territory and California deserve greater attention Having combed censuses maps government documents and white overlanders diaries along with the few accounts written by black overlanders or passed down orally to their living descendants Moore gives voice to the countless mostly anonymous black men and women who trekked the plains and mountains Sweet Freedom s Plains places African American overlanders where they belong at the center of the western migration narrative Their experiences and perspectives enhance our understanding of this formative period in American history

The Commercial & Financial Chronicle ... ,1904 Commercial and Financial Chronicle Bankers Gazette, Commercial Times, Railway Monitor and Insurance Journal ,1904 **Chronicles of Oklahoma** James Shannon

Buchanan,2003 Publication ... of the Illinois State Historical Library ,1927 *Transactions of the Illinois State Historical Society* Illinois State Historical Society,1927 **Papers in Illinois History and Transactions** Illinois State Historical Society,1927 **Home of the Heart** Elizabeth Mills Irwin,2000 *Baseball's Union Association* Justin Mckinney,2022-11-11 Hastily formed in 1883 as a rival third major league the Union Association upset the moguls of the baseball world and disrupted the status quo Backed by Henry V Lucas an impetuous 26 year old millionaire from St Louis the UA existed for one chaotic season in 1884 This first full length history of the Union Association tells the captivating story of the league s brief and enigmatic existence Lucas recruited a wild mix of disgruntled stars misfits crooks has beens drunks and the occasional spectator along with a future star or two The result was a bizarre experiment that sowed both turmoil and hope before fading into oblivion *Publications* Illinois State Historical Society,1927 *Transactions of the Illinois State Historical Society for the Year* ,1927 *Great Lakes and Midwest Catalog* Partners Book Distributing,2007 Publications of the Illinois State Historical Library Illinois State Historical Library,1927
