

PSYCHOANALYSIS AND INFANT RESEARCH

Joseph D. Lichtenberg, M.D.

A Special Journal for Mental Health Professionals

PSYCHOANALYTIC INQUIRY

JOSEPH D. LICHTENBERG, M.D.
Editor-in-Chief

In an era of diversity and creative ferment, *Psychoanalytic Inquiry* embraces the contemporary mental health professional to appreciate both the diverse viewpoints found within the psychoanalytic arena and the potential for synthesizing these perspectives. By dedicating each issue to a single topic, *PI* achieves a depth of coverage that is unique to the journal format. Previous issues, focusing on Empathy, Adolescent Abduction, Psychoanalytic Models, and Themes of Death and Mourning in Art and Literature, have found an appreciative readership among analysts, psychiatrists, clinical psychologists, and a broad range of scholars in the humanities. By soliciting contributions from academic commentators on analysis as well as analytic and psychiatric clinicians, the editors have provided a much-needed forum for the type of broad, multidisciplinary discourse that is integral to psychoanalytic inquiry.

Psychoanalytic Inquiry is a quarterly publication. Subscription rates for Volume 5 (1995) are \$35.00 for individuals, \$55.00 for institutions. Please add \$5.00 for overseas postage.
