Embodying Identity Harri Garrod Roberts,2009-07-01 Since the time of Freud some of the most radical innovators within critical theory have stressed the importance of the body and its representation to the constitution of subjectivity This book explores some of the theoretical debates surrounding the body and assesses its value as a critical concept through an analysis of the body s representation both in Welsh literary texts in English and discourse about Wales more generally Combining psychoanalytic with more culturally orientated approaches to the body the book offers an historically informed account of the body that analyses its role in the construction and contestation of identity at a cultural as well as individual level contributing in a new and radical way to the rapidly expanding critical literature concerned with exploring the construction of identity in a Welsh cultural context *Black Skin, Blue Books* Daniel G. Williams,2012-09-15 Williams analyses and compares the ways in which African Americans and the Welsh have defined themselves as minorities within larger nation states the UK and US The study is grounded in examples of actual friendships and cultural exchanges between African Americans and the Welsh such as Paul Robeson s connections with the socialists of the Welsh mining communities and novelist Ralph Ellison s stories about his experiences as a GI stationed in wartime Swansea This wide ranging book draws on literary historical visual and musical sources to open up new avenues of research in Welsh and African American studies *Turf or Stone* Margiad Evans,2011-05-01 A forced wedding in a freezing country church where the only sound is the bride s tears so starts Mary Bicknor s life of misery with brutish Easter Probert groom to the oddly assorted Kilminster family In a tale of passion violence cruelty and unexpected tenderness Margiad Evans conjures a tempestous and sometimes sinister world of rural and small town border life in the early twentieth century *Country Dance* Margiad Evans,1932 Arranged By Duncan Edmondstone **Wales in England, 1914-1945** Wendy Ugolini,2024-05-10 At the beginning of the twentieth century for many English men and women of Welsh origin the idea of being in some part Welsh reaffirmed their own understanding of what it meant to be British Wales in England 1914 1945 is the first cultural history of this English Welsh duality an identification with two constituent nations at once and explores how Welshness was imagined performed and mobilised in England during and between the two world wars In so doing and making use of individual English Welsh case studies from the worlds of politics art literature and soldiering the book provides a wholly new perspective on the social cultural and military history of Britain at war It shows English Welsh duality to have been an important strand of pluralistic Britishness in wartime and that this diasporic construction of Welshness held a wide urban appeal with significant implications for military enlistment cultural production and commemorative practices in England Working at the intersection of war studies British studies and diaspora studies *Wales in England* makes a significant contribution to four nations history

and the history of British society at war **Queer Wales** Huw Osborne, 2016-06-20 it is a multidisciplinary collection of essays it is the first book length engagement with the subject of queer Wales it covers period from the 18th century to the present it considers literature art history film television drama crime motherhood education and a range of other questions across these categories **Beyond the Difference** Alyce von Rothkirch, Daniel Williams, 2004 Wales's leading literary critic M Wynn Thomas is celebrated in these original works and contributions from internationally acclaimed writers poets and critics Looking at the relationship between English and Welsh language literature in Wales these essays explore the interactions of nationhood and gender from the late 19th century to the present day the politics of translation in Wales as compared to Ireland and America and the intriguing connections between Welsh literature and American African American Irish and Jewish literary traditions *Twentieth-century Autobiography* Barbara Prys-Williams, 2004 The psychological influences that have shaped the consciousness and worldviews of seven Welsh authors are traced in this pioneering work on 20th century Welsh autobiographers The autobiographies include humorist Gwyn Thomas whose comic exuberance is shown to have bleak origins B L Coombes and Ron Berry's depictions of a now bygone valley society feminist Lorna Sage's caustic eye on her border upbringing Margid Evans's view on the different phases of life Rhys Davis's manipulation of his own history and R S Thomas's engagement in a searingly honest search for self **Cylchgrawn Llyfrgell Genedlaethol Cymru** National Library of Wales, 2003
