Marx For Beginners:

Marx for Beginners Rius, 1979 A cartoon book about Marx Are you sure it s Karl not Groucho How can you summarize the work of Karl Marx in cartoons It took Rius to do it He s put it all in the origins of Marxist philosophy history economics of capital labor the class struggle socialism And there s a biography of Charlie Marx besides Like the companion volumes in the series Marx for Beginners is accurate understandable and very very funny

Marx's 'Das Kapital' For Beginners Michael Wayne, 2012-05-29 Marx s Das Kapital cannot be put into a box marked economics It is a work of politics history economics philosophy and even in places literature yes Marx s style is that rich and evocative Marx s Das Kapital For Beginners is an introduction to the Marxist critique of capitalist production and its consequences for a whole range of social activities such as politics media education and religion Das Kapital is not a critique of a particular capitalist system in a particular country at a particular time Rather Marx s aim was to identify the essential features that define capitalism in whatever country it develops and in whatever historical period For this reason Das Kapital is necessarily a fairly general abstract analysis As a result it can be fairly difficult to read and comprehend At the same time understanding Das Kapital is crucial for mastering Marx s insights to capitalism Marx s Das Kapital For Beginners offers an accessible path through Marx s arguments and his key questions What is commodity Where does wealth come from What is value What happens to work under capitalism Why is crisis part of capitalism s DNA And what happens to our consciousness our very perceptions of reality and our ways of thinking and feeling under capitalism Understanding and learn from Marx s work has taken on a fresh urgency as questions about the sustainability of the capitalist system in today s global economy intensify

Theory for Beginners Kenneth B. Kidd, 2020-11-03 Since its inception in the 1970s the Philosophy for Children movement P4C has affirmed children s literature as important philosophical work Theory meanwhile has invested in children s classics especially Lewis Carroll s Alice books and has also developed a literature for beginners that resembles children s literature in significant ways Offering a novel take on this phenomenon Theory for Beginners explores how philosophy and theory draw on children s literature and have even come to resemble it in their strategies for cultivating the child and or the beginner Examining everything from the rise of French Theory in the United States to the crucial pedagogies offered in children s picture books from Alison Bechdel s graphic memoir *Are You My Mother* and Lemony Snicket s *A Series of Unfortunate Events* to studies of queer childhood Kenneth B Kidd deftly reveals the way in which children may learn from philosophy and vice versa
