## Natural Encounters:

**Natural Encounters** Bruce M. Beehler, 2019-05-21 A twelve month excursion through nature's seasons as recounted by a lifetime naturalist In this personal encyclopedia of nature's seasons lifetime naturalist Bruce Beehler reflects on his three decades of encountering nature in Washington D C The author takes the reader on a year long journey through the seasons as he describes the wildlife seen and special natural places savored in his travels up and down the Potomac River and other localities in the eastern and central United States Some of these experiences are as familiar as observing ducks on the National Mall in Washington D C or as unexpected as collecting fifty million year old fossils on a Potomac beach Beyond our nation's capital Beehler describes trips to nature's most beautiful green spaces up and down the East Coast that he says should be on every nature lover's bucket list Combining diary entries riffs on natural subjects field trips photographs and beautiful half tone wash drawings this book shows how many outdoor adventures are out there waiting in one's own backyard The author inspires the reader to embrace nature to achieve a more peaceful existence
