The tunnel walls are dark and textured, with some light reflecting off the stones. The overall atmosphere is mysterious and ancient.

Pathway Into The Holy Scripture

William Tyndale

Pathway Into The Holy Scripture:

A Pathway Into the Holy Scripture William Tyndale, 2017-10-31 THE first original composition from Tyndale's pen of which any trace or account has come down to us is his Prologue to the quarto edition of his translation of the New Testament. Indeed the Rev C Anderson has not hesitated to say that we have in that Prologue the very first language addressed by him to the Christians of England and if so that first language is to be found in the Pathway into the Holy Scripture. For the Pathway is in fact a reprint of that Prologue with such alterations as Tyndale either thought requisite to adapt it for separate publication or expedient to prevent its identity with the reprobated Prologue from being detected at first sight. Doctrinal Treatises and Introductions to Different Portions of the Holy Scriptures William Tyndale, 1848 *Doctrinal Treatises and Introductions to Different Portions of the Holy Scriptures* William Tyndale, 2005-04-25 The Parker Society was the London based Anglican society that printed in fifty four volumes the works of the leading English Reformers of the sixteenth century. It was formed in 1840 and disbanded in 1855 when its work was completed. Named after Matthew Parker the first Elizabethan Archbishop of Canterbury who was known as a great collector of books the stimulus for the foundation of the society was provided by the Tractarian movement led by John Henry Newman and Edward B Pusey. Some members of this movement spoke disparagingly of the English Reformation and so some members of the Church of England felt the need to make available in an attractive form the works of the leaders of that Reformation. **A Pathway to the Holy Scripture** William Tyndale, 1530 *General Introduction to the Study of Holy Scripture* Charles Augustus Briggs, 1899 **A Pathway Into the Holy Scripture** P. Rooted in the tradition of the fathers of the Church each chapter reveals the spiritual sense hidden behind the literal meaning of the text and points readers toward a life application. Charis proudly brings back Damasus Winzen's popularly written classic which in the recent past helped many readers find God in Scripture. *The lessons of holy Scripture appointed by the Church of England to be read daily, illustrated by thoughts in verse gathered from about 500 writers and adapted by J.H.
