

# Paul Hindemith

A Research and Information Guide

SECOND EDITION

Stephen Luttmann

# Paul Hindemith A Guide To Research

**Huangqi Zhang**

## **Paul Hindemith A Guide To Research:**

**Paul Hindemith** Stephen Luttmann,2013-01-11 Paul Hindemith A Research and Information Guide is an annotated bibliography concerning both the nature of primary sources related to the composer and the scope and significance of the secondary sources which deal with him his compositions and his influence as a musician and teacher The second edition includes research published since the publication of the first edition and provides electronic resources

**Sourcebook for Research in Music, Third Edition** Allen Scott,2015-06-01 Since it was first published in 1993 the Sourcebook for Research in Music has become an invaluable resource in musical scholarship The balance between depth of content and brevity of format makes it ideal for use as a textbook for students a reference work for faculty and professional musicians and as an aid for librarians The introductory chapter includes a comprehensive list of bibliographical terms with definitions bibliographic terms in German French and Italian and the plan of the Library of Congress and the Dewey Decimal music classification systems Integrating helpful commentary to instruct the reader on the scope and usefulness of specific items this updated and expanded edition accounts for the rapid growth in new editions of standard works in fields such as ethnomusicology performance practice women in music popular music education business and music technology These enhancements to its already extensive bibliographies ensures that the Sourcebook will continue to be an indispensable reference for years to come

**Historical Dictionary of Modern and Contemporary Classical Music** Nicole V. Gagné,2019-07-17 The contemporary music scene thus embodies a uniquely broad spectrum of activity which has grown and changed down to the present hour With new talents emerging and different technologies developing as we move further into the 21st century no one can predict what paths music will take next All we can be certain of is that the inspiration and originality that make music live will continue to bring awe delight fascination and beauty to the people who listen to it This book cover modernist and postmodern concert music worldwide from the years 1888 to 2018 This second edition of Historical Dictionary of Modern and Contemporary Classical Music contains a chronology an introduction and an extensive bibliography The dictionary section has over 500 cross referenced entries on the most important composers musicians methods styles and media in modernist and postmodern classical music worldwide from 1888 to 2018 This book is an excellent resource for students researchers and anyone wanting to know more about modern and contemporary classical music

**Information Literacy in Music** Beth Christensen,Erin Conon,Marian Ritter,2018-01-01 Information Literacy in Music An Instructor s Companion is a practical guide to information literacy instruction for busy librarians and music faculty This book contains examples of course integrated assignments designed to help postsecondary music students develop foundational skills in information literacy These assignments have been solicited from experienced librarians and faculty across the United States and they represent a broad spectrum of approaches to music research from historical to applied studies Be inspired by new and creative solutions to students information literacy challenges and by the many examples of successful collaborations between

librarians and music faculty     *The American Organist* ,2007     [American Book Publishing Record](#) ,2003     [The British National Bibliography](#) Arthur James Wells,2009     *Change* Kwami Coleman,2025-08-15

By 1960 musicians critics record buyers and club patrons in New York City agreed that a new thing in jazz had arrived That new thing was what we in the twenty first century call free jazz and it represented a significant change within and for some a dramatic departure from what was commonly understood as modern jazz The arresting abstract sound of the new music pioneered by ensembles led by Ornette Coleman Cecil Taylor and other experimentalist improvising musicians became the focal point of an ongoing controversy in the 1960s that called into question their musicianship legitimacy and sanity Flourishing in an age of anti establishment protest and radical politics what writer Amiri Baraka characterized as the inevitable expression of Black American culture and explained by musicians as the product of newfound consciousness the new thing was by 1966 almost unanimously dismissed by the music press as the discordant sound of black anger Author Kwami Coleman integrates musical analyses of key recordings musician interviews periodicals and rare archival sources to tell the story of jazz s emergent avant garde providing readers with ways to listen to and understand this innovative and disruptive music By shining a comprehensive light on an important and still misunderstood revolutionary moment in experimental music history he illustrates the fundamental elements of this new music and what made it so experimental within the context of modern jazz Coleman proposes heterophony a multi voice texture where cohesion is achieved by means other than tonal center and meter as a theoretical lens by which to interpret the affectual force of the new thing s abstract harmonic textures and rhythms In doing so he draws connections to the social and political world that enveloped and motivated the musicians writers and listeners at the heart of the new thing s practice recordings and publicity In his chronological account of the music s development in the early 1960s Coleman offers readers a new framework to better understand the aesthetics and converging cultural currents of experimental free improvisation in the 1960s

**Bibliographic Guide to Music** New York Public Library. Music Division,1996     **Bibliographic Index** ,2008     *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1963 Includes Part 1 Number 1 Books and Pamphlets Including Serials and Contributions to Periodicals January June     **The Da Capo Catalog Of Classical Music Compositions** Jerzy Chwiałkowski,1996-03-21 An exhaustive list of the works of 132 major composers Gives the essential information about each work including proper title English title variant titles or nicknames dates of composition and revision names of any librettists playwrights poets screenwriters or directors associated with the work intended instrumental or vocal ensemble opus and catalog numbers

**Forthcoming Books** Rose Army,2003-12     **Notes** Music Library Association,2000     **Subject Guide to Books in Print** ,1971     **Performance Problems in Selected Twentieth Century Music for Viola** Nancy Uscher,1982

**American Record Guide** ,1959     **Sumários periódicos de música** ,1990     **Literature of American Music III, 1983-1992** Guy A. Marco,1996 Literature of American Music III 1983 1992 is the second supplement to the original

Literature of American Music in Books and Folk Music Collections Taken together the three volumes provide a comprehensive inventory of the 5 100 books representing the core literature on American music This volume cites and critically annotates monographs on American music published from 1983 to 1992 but does not include literature in folk music collections More than 1 300 entries cover all aspects of American music including folk blues jazz rock music of major cities festivals the music industry instruments music education and music for TV and film Entries are arranged according to Library of Congress classification numbers which allows librarians to check their own holdings Each citation provides full imprint data ISBN facts about earlier editions series notes references to reviews in standard media descriptions of favorable and unfavorable features and special notes of reference elements such as indexes and bibliographies Includes title and subject indexes Author indexing is included in the Checklist of Writings on American Music 1640 1992 *National Union Catalog* ,1981 Includes entries for maps and atlases
