## **On Relationship Paperback:**

The Nature of Love and Relationships Tom Omid, Tom Omid Ph D, 2011-11-01 Description The Nature of Love and Relationships studies the fast deteriorating situation of relationships in modern societies with the objective of finding practical solutions It is a comprehensive book about man women relationships that is developed based on scientific facts but written in a simple language for the general public Contrary to the present approach to address the symptoms of relationship conflicts this book explores the deep rooted problems of relationships as a pandemic It is written for the understanding of the general public although the discussions are based on scientific methodologies and analyses The table of content and preliminary pages of this book show the main theme and the structure of the book Every chapter contains many innovative and educational ideas about relationships while couples limitations to relate are explained in great detail In a nutshell the book studies the main issues of relationships in an easy to understand scientific structure To reverse the frightening trends in relationships radical changes are needed in terms of both people s mindset and social mechanisms This book is the product of the author s research expertise and efforts to save his own marriage during the last fifteen years The book contains around 135 000 words and over thirty five simple diagrams and tables Synopsis Over the last few decades we have developed wrong perceptions about the nature of love and the purpose of relationships With drastic changes in social values and lifestyles our expectations from relationships have skyrocketed in line with our escalating personal aspirations But all these idealistic needs have only led to more distress for everybody The rising divorce rate and endless family conflicts reflect the hectic environment of relationships These facts also reveal that our present methods of dealing with relationship hurdles have failed While focusing on the symptoms of relationship failures we have ignored the roots of the problems as a social pandemic So it is time now to analyse the real sources of problems and face up to the high complexity of relationships in new societies It appears that we need radical solutions compatible with our new social values and expanding personal needs A main goal of this book is to help couples review their mentality about the capacity and purpose of relationships Another objective is to suggest a framework that can assist couples assess their relationships more realistically Too many relationships are ruined nowadays due to partners biased judgments and hasty decisions The ultimate goal of this book is to bring objectivity back into relationships At the very least it is time to appreciate the need for viewing relationships in a new light consistent with the characteristics of new lifestyles Instead of searching all our lives for a soul mate and an ideal relationship we must find a way to relate more effectively while strengthening our identity and individualism too Love man woman relationship personality conflicts and factors gender differences relationship needs and models compatibility factors and tests the meaning of love

The Relationship Book Matt Bird, 2017-02-07 The Bible is the relationship book It is a book of relationships not a book of religion It demonstrates how God has reached out through history to have a relationship with humanity In turn it teaches us how we can build relationships with God and one another The Relationship Book explores 28

Biblical principles which when applied will enable you to build life transforming relationships in your family business and community

**Heal Your Relationship** Indra Torsten Preiss,2015-10-24 With a lot of patience understanding and soul wisdom Indra takes you to the root causes of relationship problems Drawing on his extensive experience as a facilitator of family and relationship constellations he shows you what is causing relationships to run off the rails and how to heal them By being loyal we unconsciously carry over behavioral patterns and attitudes from our ancestors These loyalties often have a huge impact on our couple relationship to an extent you could never have imagined Our ancestors leave us with a kind of blueprint or mind set about life and relationships This mind set is a major determining factor in whether our relationships turn out to be happy Lasting change will come about only if you become aware of these loyalties and learn to let go of destructive behaviors and attitudes inherited from your ancestors Integrating the wisdom of Heal Your Relationship in your life will give you the power and insights to heal yourself and of course improve your relationship skills Drawing on his extensive experience as a therapist and a spiritual teacher Preiss helps the reader to Recognize what it takes to make your relationship work and to grow healthy lasting nurturing and fulfilling relationships Understand the root of all marriage and relationship problems and unlocking the key to solving and fixing relationship and marriage problems Learn how to end painful relationship patterns and how to heal and transform your relationship from within Heal from the emotional wounds of the past and stop self sabotage from improving or saving your relationship or marriage
