Omon Ra:

Omon Ra Viktor Pelevin, 1998 A satire about the Soviet space program finds Omon who has dreamed of space flight all of his life enrolled as a cosmonaut only to learn that his task will be piloting a supposedly unmanned lunar vehicle to the Moon and remaining there to die **Literature, History and Identity in Post-Soviet Russia, 1991-2006** Rosalind J.

Marsh, 2007 The aim of this book is to explore some of the main preoccupations of literature culture and criticism dealing with historical themes in post Soviet Russia focusing mainly on literature in the years 1991 to 2006 introd *Endquote*

Rajendra Anand Chitnis, 2004-11-10 This book considers Russian Czech and Slovak fiction in the late communist and early post communist periods It focuses on the most innovative trend to emerge in this period on those writers who during and after the collapse of communism characterised themselves as liberators of literature It shows how these writers in their fiction and critical work reacted against the politicisation of literature by Marxist Leninist and dissident ideologues rejecting the conventional perception of literature as moral teacher and redefining the nature and purpose of writing The book demonstrates how this quest enacted in the works of these writers served for many critics and readers as a metaphor for the wider disorientation and crisis precipitated by the collapse of communism **Companion to Victor Pelevin** Sofya

Khagi, 2022-01-18 Companion to Victor Pelevin a collaborative undertaking by a group of emerging Russianist scholars focuses on the work of one of the most important and hotly debated post Soviet writers It provides a valuable resource to scholars teachers and students including how best to teach Pelevin to university level students and which critical debates invite further investigation The contributors offer new readings of Pelevin texts that cover a broad time span and pay due attention to the philosophical and aesthetic complexities of Pelevin's oeuvre in its development from the early post Soviet years to the second decade of the present millennium Examining all of Pelevin's major works and all Peleviniana currently available in English the Companion aims to prompt further inquiry into this author's intellectually stimulating and socially prescient work **The Studio**, 1910 Voices of Russian Literature Sally Laird, 1999-04-29 Voices of Russian Literature

presents in depth interviews with ten of the most interesting figures writing in Russian today They range from established authors such as Fazil Iskander and Andrei Bitov who began their careers in the post Stalinist Thaw to newcomers like Viktor Pelevin hailed as one of the most original writers of the present era It offers an insiders account of the fate of Russian literature over the past four decades Rather than cataloguing the opinions of dissidents or defenders of the former regime it presents the views of artists who have sought against the odds to express their unique visions of a changing world Each

interview acquaints us with the author's distinctive voice and provides important insights into the genesis and interpretation of individual works Sally Laird has prefaced the interviews with biographical and critical sketches of each writer and her introductory essay sets the whole in historical context Voices of Russian Literature will be fascinating reading for anyone interested in Russia's contemporary literary experience *Cosmonaut* Cathleen S. Lewis, 2023-08-08 Examining material and cultural representations of the cosmonaut program Cathleen Lewis discusses how the public image of the Soviet cosmonaut developed beginning in the 1950s and the ways this icon has been reinterpreted throughout the years and in contemporary Russia
