**Nathanael J. Andrade**

## **On Illustrious Men:**

On Illustrious Men St. Jerome, 2019-12-07 *De Viris Illustribus* is a collection of short biographies of 135 authors written in Latin by the 4th century Latin Church Father Jerome He completed this work at Bethlehem in 392-3 AD The work consists of a prologue plus 135 chapters each consisting of a brief biography

**On Illustrious Men** Ernest Cushing Richardson, St Jerome, 2019-06-21 *De Viris Illustribus* is a collection of short biographies of 135 authors written in Latin by the 4th century Latin Church Father Jerome He completed this work at Bethlehem in 392-3 AD The work consists of a prologue plus 135 chapters each consisting of a brief biography

*On Illustrious Men* Saint Jerome, 1999 Annotation This volume completes the Commentary on all the Psalms written by Theodoret bishop of Cyrus in the decade before the Council of Chalcedon held in 451 a triumph of Antiochene theology in the words of J N D Kelly The work thus bears the marks of the theological currents of those years especially as Theodoret was instrumental in convening that Council and was involved in the Christological and trinitarian debates of the period Theodoret's work of commentary offers readers a great spiritual classic that has contributed to Christian spiritual formation and received the attention of eminent commentators from Antioch and Alexandria in the East and from the likes of Augustine of Hippo in the West As this volume closes Theodoret claims modestly to have offered his readers the best of his predecessors work including Alexandrian commentators together with his own insights into the Spirit's hidden mysteries He writes as a teacher not a preacher in his pulpit with the purpose simply of dispelling ignorance concerned that those singing the Psalter daily and uttering the words by mouth do not enquire about the force of the ideas underlying the words This translation respects the conciseness which the bishop sets as one aim for himself his other principle being to let the text speak for itself Theodoret emerges in this work as a measured commentator and balanced exponent of his school's hermeneutical and theological principles

Lives of Illustrious Men, a Translation of Saint Jerome's "De Viris Illustribus" Ernest J. Engler, 1947

Lives of Illustrious Men Plutarch, 1881

**Christianity, Empire, and the Making of Religion in Late Antiquity** Jeremy M. Schott, 2008-08-26 In *Christianity Empire and the Making of Religion in Late Antiquity* Jeremy M Schott examines the ways in which conflicts between Christian and pagan intellectuals over religious ethnic and cultural identity contributed to the transformation of Roman imperial rhetoric and ideology in the early fourth century C E During this turbulent period which began with Diocletian's persecution of the Christians and ended with Constantine's assumption of sole rule and the consolidation of a new Christian empire Christian apologists and anti-Christian polemicists launched a number of literary salvos in a battle for the minds and souls of the empire Schott focuses on the works of the Platonist philosopher and anti-Christian polemicist Porphyry of Tyre and his Christian respondents the Latin rhetorician Lactantius Eusebius bishop of Caesarea and the emperor Constantine Previous scholarship has tended to narrate the Christianization of the empire in terms of a new religion's penetration and conquest of classical culture and society The present work in contrast seeks to suspend the static essentializing conceptualizations of religious identity that lie behind

many studies of social and political change in late antiquity in order to investigate the processes through which Christian and pagan identities were constructed Drawing on the insights of postcolonial discourse analysis Schott argues that the production of Christian identity and in turn the construction of a Christian imperial discourse were intimately and inseparably linked to the broader politics of Roman imperialism [The Politics of Identity in Visigothic Spain](#) Jamie Wood,2012-03-20 This book reappraises the historical writings of the seventh century Spanish bishop Isidore of Seville as a coherent and pastorally informed programme intended to reconcile the population of Spain to their recent conquest by the barbarian Visigoths **Lives Of Illustrious Men** Plutarch,2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant [Giannozzo Manetti](#) David Marsh,2019-11-19 Giannozzo Manetti was one of the most remarkable figures of the Italian Renaissance though today his works are unfamiliar in English In this authoritative biography the first ever in English David Marsh guides readers through the vast range of Manetti s writings which epitomized the new humanist scholarship of the Quattrocento [The Journey of Christianity to India in Late Antiquity](#) Nathanael J. Andrade,2018-04-19 How did Christianity make its remarkable voyage from the Roman Mediterranean to the Indian subcontinent By examining the social networks that connected the ancient and late antique Mediterranean to the Indian Ocean central Asia and Iran this book contemplates the social relations that made such movement possible It also analyzes how the narrative tradition regarding the apostle Judas Thomas which originated in Upper Mesopotamia and accredited him with evangelizing India traveled among the social networks of an interconnected late antique world In this way the book probes how the Thomas narrative shaped Mediterranean Christian beliefs regarding co religionists in central Asia and India impacted local Christian cultures took shape in a variety of languages and experienced transformation as it traveled from the Mediterranean to India and back again **Plutarch's Lives of Illustrious Men** Plutarch,1899 *Zealots for Souls* Anne Huijbers,2018-01-22 *Zealots for souls* draws attention to the impact of the Observant reforms within the Order of Preachers and ambitiously stirs up a broad scope of questions pertaining to the institutional narratives produced within the order between c 1388 and 1517 Through the narratives and the forms of remembrance they fostered the author traces the development of contemporary characteristics of the Dominican self understanding The book shows the fluid boundaries between the genres order chronicles convent chronicles collective biographies highlights the interplay between the narrative and the intended audience addresses the complex question of authorship and assesses the indebtedness of modern printed narratives to older chronicles or

biographical collections The book demonstrates that the majority of the extant institutional narratives were written by Observant Dominicans who strived for the internal reform of their order They wrote history to justify their own reform agenda and therefore produced invariably partisan chronicles The work s method is widely applicable and contributes to further reassessment of institutional narratives as sources for the analysis of religious and intellectual transformations

**Lives of Illustrious Men** Jerome and Gennadius, Aeterna Press, You have urged me Dexter to follow the example of Tranquillus in giving a systematic account of ecclesiastical writers and to do for our writers what he did for the illustrious men of letters among the Gentiles namely to briefly set before you all those who have published any memorable writing on the Holy Scriptures from the time of our Lord s passion until the fourteenth year of the Emperor Theodosius A similar work has been done by Hermippus the peripatetic Antigonus Carystius the learned Satyrus and most learned of all Aristoxenus the Musician among the Greeks and among the Latins by Varro Santra Nepos Hyginus and by him through whose example you seek to stimulate us Tranquillus

**Heredity and Environment in the Development of Men** Edwin Grant Conklin, 1929

*Lives of Illustrious Men* Plutarch, 1929 The Genre of Acts and Collected Biography Sean A. Adams, 2013-10-17 It is widely accepted by New Testament scholars that the Gospel of Luke and the Acts of the Apostles probably originated as two parts of one work by a single author In spite of this the books have been assigned to very different genres Luke is traditionally viewed as a biography of Jesus and Acts as a history of the early church Comparing in detail the structure and content of Acts with the formal features of history novel epic and biography Sean A Adams challenges this division Applying both ancient and modern genre theory he argues that the best genre parallel for the Acts of the Apostles is in fact collected biography Offering a nuanced and sophisticated understanding of genre theory along with an insightful argument regarding the composition and purpose of Acts this book will be of interest to those studying the New Testament Acts genre theory and ancient literature

On Illustrious Men Saint Jerome, 2000-01-01 Often cited as a source of biographical information on ancient Christian authors On Illustrious Men provides St Jerome s personal evaluations of his forebears and contemporaries as well as catalogs of patristic writings known to him

**Latin literature, Italy** Charles Herbert Sylvester, 1924

*Catalogue of the Public Library of the City of Detroit* Detroit Public Library, 1877 *The Celestial and Ecclesiastical Hierarchy of Dionysius the Areopagite* Pseudo-Dionysius (the Areopagite.), 1894

### **On Illustrious Men Introduction**

In the digital age, access to information has become easier than ever before. The ability to download On Illustrious Men has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download On Illustrious Men has opened up a world of possibilities. Downloading On Illustrious Men provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This

convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading On Illustrious Men has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download On Illustrious Men. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading On Illustrious Men. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading On Illustrious Men, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download On Illustrious Men has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About On Illustrious Men Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
