Memories From The Back Trail:

Memory Trails Jacob William Wright,1925 Memories from the Back Trail William Gardner Bell,2005 Long Memory Vangerry Oldham,2005-11-01 Long Memory traces the history of a multi racial family from 1492 to the 2000 Millennium It is set against the backgrounds of Mexico the Bahamas America and England The novel chronicles the five hundred year love commitment of the main characters to a love partnership a place and a people Intertwined with the main love theme are several other romantic affairs In addition to telling stories Long Memory also makes observations on the human condition in contrasting cultures and gives an unusual twist to the classical microcosm macrocosm equation A multitude of characters Arawak Aztec Amerindian Colonial British Modern British and Modern Bahamian interact smoothly and sympathetically as their individual histories evolve and interweave The concept of Long Memory a personalization of folk memory gives continuity to the novel and provides the springboard for a surprise denouement **Dad's Best Memories and Recollections** Charles J. Humber,2016-01-19 DAD S BEST MEMORIES AND RECOLLECTIONS is Chazzz Humber s epithaph casting a very long and sentimental shadow across North America and beyond This 230 page volume is his granite monument well polished It lavishly records 125 of his best memories over a life span of nearly eighty years The vignettes are serenaded with more than 400 illustrations Those discovering this volume likely will find themselves wanting to record in their own sunset years their personal memories and recollections And when they do they are apt to recall what it was like to live in their fluctuating world dominated by a variety of personalities and cascading events Mr Humber vividly describes what it was like in 1945 to travel in a 1930 Model A Ford from Toronto to Boston With lively enthusiasm he reports what it was like to live in post World War II Boston to cook a lobster for a former President of the United States or to sell a pair of elevator shoes to one of Hollywood s shortest celebrities or to shine the shoes of a Derby hatted father of a future President of the United States It is not a remarkable achievement to reflect to recall or to have memories that are treasured But to tell them with literary aplomb to recall the events that happened nearly seventy five years ago with utmost clarity is definitely an admirable achievement and should be cherished not only by the kin who follow Mr Humber but by those who might like to imitate what he has monumentally achieved in Dad s Best Memories and Recollections **The Journal of the Polynesian Society** Polynesian Society (N.Z.),1901 Vols for 1892 1941 contain the transactions and proceedings of the society

story was more complex In coming to the country of the Liglim she Derian Carter and Blind Seer discovered that magic is still working in the world and that it isn t always the evil they d been warned against But it also turned out that the old plague specifically targeted magic users And when Firekeeper and her friends learned to open the gates between worlds the plague came back with them Firekeeper Blind Seer and Derian Carter survived the plague not unchanged but still themselves Now Firekeeper is determined to learn the nature of the plague and if she can to end it forever What happens next will be the culmination of the remarkable fantasy epic that began with Through Wolf s Eyes At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
