**Encyclopedia of the Developing World** Thomas M. Leonard,2006 A comprehensive work on the historical and current status of developing countries **Menachem Begin** Avi Shilon,2012-11-27 A full scale portrait of the enigmatic Israeli leader draws on wide ranging archival research and testimonials by his closest advisors to explore such topics as Begin s antagonistic relationship with David Ben Gurion his controversial role in the 1982 Lebanon War his leadership style and his changing ideologies **Be Strong and of Good Courage** Dennis Ross,David Makovsky,2019-09-03 Modern Israel s founding fathers provided some of the boldest and most principled leadership of any nation now Israel needs their example more than ever Modern Israel s founding fathers provided some of the boldest and most principled leadership of any nation Now Israel needs their example more than ever At a time when the political destiny of Israel is more uncertain than at any moment since its modern founding Be Strong and of Good Courage celebrates the defining generation of leaders who took on the task of safeguarding the country s future David Ben Gurion Menachem Begin Yitzhak Rabin and Ariel Sharon were all present at the creation of the new nation in 1948 Over the next sixty years each experienced moments when the country s existence was directly imperiled In those moments Israel needed extraordinary acts of leadership and strategic judgment to secure its future and these leaders rose to the occasion The strength they showed allowed them to prevail Today Israel may be on the verge of sacrificing the essential character that its greatest citizens fought to secure This is the story of that epic struggle **Menachem Begin** Charles River Editors,2019-05-27 Includes pictures Includes a bibliography for further reading Mr President I wish to tell you something personal not about me but about my generation What you have just heard about the Jewish people s inherent rights to the Land of Israel may seem academic to you theoretical even moot But not to my generation To my generation of Jews these eternal bonds are indisputable and incontrovertible truths as old as recorded time Menachem Begin We don t need legitimacy We exist Therefore we are legitimate Menachem Begin The conflict between the Israelis and Palestinians is over 70 years old and counting but has its roots in over 2 000 years of history With so much time and history the Middle East peace process has become laden with unique politically sensitive concepts like the right of return contiguous borders secure borders demilitarized zones and security requirements with players like the Quartet Palestinian Authority Fatah Hamas the Arab League and Israel Over time it has become exceedingly difficult for even sophisticated political pundits and followers to keep track of it all Israel has rarely reached agreements with its neighbors and when it did so at the end of the 1970s it was accomplished by a prime minister who was one of the nation s most famous military officers After the Yom Kippur War President Jimmy Carter s administration sought to establish a peace process that would settle the conflict in the Middle East while also reducing Soviet influence in the region On September 17 1978 after

secret negotiations at the presidential retreat Camp David Egyptian President Anwar Sadat and Israeli Prime Minister Menachem Begin signed a peace treaty between the two nations in which Israel ceded the Sinai Peninsula to Egypt in exchange for a normalization of relations making Egypt the first Arab adversary to officially recognize Israel Carter also tried to create a peace process that would settle the rest of the conflict vis vis the Israelis and Palestinians but it never got off the ground For the Camp David Accords Begin and Sadat won the Nobel Peace Prize Begin had once been a leader of the paramilitary group Irgun while Sadat had succeeded Nasser Ultimately the peace treaty may have cost Sadat his life he was assassinated in 1981 by fundamentalist military officers during a victory parade Menachem Begin The Life and Legacy of the Irgun Leader Who Became Israel s Prime Minister looks at how Begin rose the ranks through militias and governments to become one of the Jewish State s most consequential leaders Along with pictures and a bibliography you will learn about Begin like never before *The Life and Times of Menachem Begin* Amos Perlmutter,1987 A distinguished political scientist and journalist presents the first comprehensive biography of Menachem Begin exploring the inner man behind the complex leader 31 black and white photographs *Menachem Begin* Daniel Gordis,2014-03-04 Reviled as a fascist by his great rival Ben Gurion venerated by Israel s underclass the first Israeli to win the Nobel Peace Prize a proud Jew but not a conventionally religious one Menachem Begin was both complex and controversial Born in Poland in 1913 Begin was a youthful admirer of the Revisionist Zionist Ze ev Jabotinsky and soon became a leader within Jabotinsky s Betar movement A powerful orator and mesmerizing public figure Begin was imprisoned by the Soviets in 1940 joined the Free Polish Army in 1942 and arrived in Palestine as a Polish soldier shortly thereafter Joining the underground paramilitary Irgun in 1943 he achieved instant notoriety for the organization s bombings of British military installations and other violent acts Intentionally left out of the new Israeli government Begin s right leaning Herut political party became a fixture of the opposition to the Labor dominated governments of Ben Gurion and his successors until the surprising parliamentary victory of his political coalition in 1977 made him prime minister Welcoming Egyptian president Anwar Sadat to Israel and cosigning a peace treaty with him on the White House lawn in 1979 Begin accomplished what his predecessors could not His outreach to Ethiopian Jews and Vietnamese boat people was universally admired and his decision to bomb Iraq s nuclear reactor in 1981 is now regarded as an act of courageous foresight But the disastrous invasion of Lebanon to end the PLO s shelling of Israel s northern cities combined with his declining health and the death of his wife led Begin to resign in 1983 He spent the next nine years in virtual seclusion until his death in 1992 Begin was buried not alongside Israel s prime ministers but alongside the Irgun comrades who died in the struggle to create the Jewish national home to which he had devoted his life Daniel Gordis s perceptive biography gives us new insight into a remarkable political figure whose influence continues to be felt both within Israel and throughout the world This title is part of the Jewish Encounters series *Evolving Nationalism* Nadav G. Shelef,2018-09-05 *Evolving Nationalism* examines how the idea of Israel as a nation state has developed within Zionist and

Israeli discourse over the past eight decades Nadav G Shelef focuses on the changing ways in which the main nationalist movements answered three distinct questions in their private and public ideological articulations between 1925 and 2005 Where is the Land of Israel Who ought to be Israeli What should the Zionist national mission be Framed within broader debates about how and why changes in foundational definitions of the nation occur Shelef s analysis centers on the mechanisms of ideological change and then subjects them to empirical scrutiny He thus moves beyond the common but problematic assumptions that such transformations must be either a rare rational adaptation to traumatic shock or a relatively constant product of manipulation by power hungry elites He finds that nationalist movements including radical and religious fundamentalist ones can and do change cardinal components of their ideological beliefs in both moderating and radicalizing directions These changes have more to do with the unguided consequences of engagement in day to day politics than with strategic reaction to new realities the use of force or the changing incentives of leaders Engaging with some of the most contentious debates about the nature of Israeli nationalism and the geographic religious and ethnic definition of the state of Israel Shelef has made signal contributions to our understanding of Middle East politics and of the ideological underpinnings of nationalism itself
