**Restructuring Schools** Mike M. Milstein, 1993-05-05 This easy to read guide helps school administrators decide if they have the necessary resources and commitment to make restructuring happen Using his own extensive experience the author explains the phases of diagnosis and the processes of change involved as well as offering the strategies needed to facilitate reform

**Resources in Education**, 1993-10

**Resiliency in Schools** Nan Henderson, Mike Milstein, 1996-04-11 A beautifully written book which should be read by all administrators teachers and parents concerned with the future of their children Emmy E Werner University of California at Davis Coauthor of *Overcoming the Odds High Risk Children from Birth to Adulthood* A major contribution of *Resiliency in Schools* is its elegantly simple change process for instilling protective factors throughout the life of the school which the authors describe and illustrate with the stories of schools they have worked with Bonnie Benard Prevention consultant Author of *Fostering Resiliency in Kids Protective Factors in the Family School and Community* In this updated edition of *Resiliency Education* Henderson and Milstein offer scores of new resources for resilience education as well as an action plan you can use right now to build inner strength and flexibility in your students and staff The authors help you make sure everyone in your school develops the defenses needed to meet the dynamic vigorous demands of school life You will learn What resiliency is and why it is so important Schoolwide strategies to move students from at risk to resilient How to integrate resiliency building with educational reform How to adopt resiliency as the fourth r of your educational goals Why resilient students need resilient educators How to assess your starting point and increase your own resiliency How to chart your progress as you make resiliency a way of life for yourself and your school Skills and tools for resiliency building

**Personnel Management for Effective Schools** John T. Seyfarth, 1996 Emphasizing the relationship of personnel management to student learning this work also focuses on personnel practice in schools with site based management It shows practical applications for research related to personnel practice

**Studies of Education Reform** Priscilla Wohlstetter, Susan Albers Mohrman, 1996 This document presents findings of the Assessment of School Based Management Study which identified the conditions in schools that promote high performance through school based management SBM The study's conceptual framework was based on Edward E Lawler's 1986 model The high involvement framework posits that four resources must spread throughout the organization power to make or influence decisions information upon which good decisions can be made knowledge and skills to perform effectively including good decision making and problem solving skills and rewards for performance This volume contains four sections Section 1 includes an executive summary for the study section 2 presents a summary review of the SBM literature section 3 presents an overview of study aims and study questions and section 4 contains a series of articles that draw on cross site analyses from the two phases of the study The study found that SBM requires a redesign of the whole school organization rather than a change in school governance SBM fails when it is adopted as an end in itself principals work from their own agenda decision making

power is centered in a single council and business continues as usual Strategies for successful implementation of SBM include 1 establish multiple teacher led decision making teams 2 focus on continuous improvement with school wide training in functional and process skills including training in curricular and instructional areas 3 create a well developed system for sharing school related information among a broad range of constituents 4 develop ways to more effectively reward staff behaviors oriented toward achieving school objectives 5 select principals who can facilitate and manage change and 6 use district state and or national guidelines to focus reform efforts and to target changes in curriculum and instruction Data were obtained from a review of the literature and from over 500 interviews conducted in 44 schools in 13 school districts Three tables are included An annotated bibliography is included Contains 20 references LMI

**Leadership for Resilient Schools and Communities** Mike M. Milstein, Doris Annie Henry, 2008 The book provides a wide selection of practical and user friendly tools and strategies for understanding the meaning and importance of resiliency A must for anyone concerned about the well being of their schools and communities Doug Milne Campus Manager University of Canterbury Nelson Campus New Zealand Milstein and Henry establish an excellent set of guiding principles Every educational administrator needs to read and reflect upon this important work John M Daggett Former Superintendent Ashland Public Schools OR Develop an environment that fosters well being and promotes success for the entire school community As a practical guide for creating healthier school environments this interactive workbook offers proven strategies for developing resiliency the emotional strength and constructive attitude necessary for students schools and communities to thrive Mike M Milstein and Doris Annie Henry expand on the groundbreaking concepts presented in their first edition Spreading Resiliency to underscore the critical role of educational leaders and incorporate feedback from educators who have used the book to improve their schools The updated exercises case studies and reproducibles are presented in a workbook style to help administrators Diagnose current problems and implement strategies for change Assess their own readiness to facilitate resiliency initiatives Increase educator enthusiasm and strengthen professional development Build confidence and coping capabilities in students Partner effectively with surrounding communities This invaluable resource supplies all the tools that school leaders teacher leaders and district administrators need to foster resiliency and implement effective positive improvement initiatives

**Violence in the Schools** Joan L. Curcio, Patricia F. First, 1993-04-14 Research has confirmed what educators have long suspected namely that violence in schools is increasing A 1991 Federal Bureau of Investigation report indicated that violent crime involving juveniles from 10 to 17 years old had risen rapidly in the 1980s and continued to do so This book explores a wide range of areas of violence in schools The major causes of violence in the school community both in and out of schools are identified and suggestions are offered for dealing with it Common sense actions are presented to deal with several kinds of violence Chapter topics include the present state of violence in schools student to student violence student to teacher violence teacher to student violence strategies for violence prevention dealing with a crisis and advice for school administrators A list of suggested readings and

resources is included Contains 24 references JPT *The Battle Over Homework* Harris M.
