Rape In America:

Rape in America, 1992 **What Every American and Christian Should Know about Islam** William Merrifield, 2018-11-08 It is not the intent of this book to provide commentary to the whole of the Qur'an. What it does propose is to cover those areas of the Qur'an that will give the reader an awareness of the Islamic world's understanding of its relationship to the rest of the world and to the world's other religions. One would think there would be some grand plan for the writing of such a book. The truth is it was ongoing discussions on Facebook that led to a two-year study to determine the truth of the matter. From this study came a correlated and transliterated copy of the Qur'an which readers will be given the opportunity if they so wish to request a free copy. Who are the Muslims? What are their factions? How do they relate to the world and to one another? What is Shari'a law and how does it equate to national and state laws? Is Shari'a law and therefore Islamic law compatible with western values? These are but some of the questions this book seeks to answer. About the Author: William Merrifield graduated from the Oklahoma City Police Academy in 1974. He received a Bachelor of Science Degree in Professional Law Enforcement from Oklahoma City University in 1977. He received a Master of Divinity Degree from Southwestern Baptist Theological Seminary in 1980. He obtained a Doctor of Ministry Degree from Westminster Theological Seminary in 1992. His military schooling includes the Army War College where he received a Masters of Strategic Studies in July of 2002. He has been in the ministry as both a Southern Baptist Pastor and Chaplain with over forty 40 years of service. He brings a wealth of experience to his writing. He has written several White Papers for the US Army and doctrine for the US Army Chaplaincy. Since retiring he has written three books: *The Threat From Within* published by Tate Publishing, *Who Do You Say I Am Jesus Called the Christ* and *Thoughts On Paul* both published by Christian Faith Publishing. *Rape Myths in American and Chinese Laws and Legal Systems* Marietta Sze-chie Fa, 2007 **America's Sex, Marriage and Divorce Problems** William Josephus Robinson, 1928 **Extent, Nature, and Consequences of Rape Victimization** Patricia Godeke Tjaden, 2006 *America's Textile Reporter*, 1901 **Women and Crime in America** Lee H. Bowker, 1981. Trata sobre las mujeres asesinadas en los Estados Unidos. Son presentadas con el papel de víctimas dentro de una sociedad violenta.

[Confronting Rape and Sexual Assault](#) Mary E. Odem, Jody Clay-Warner, 1998 Examines the issue of sexual violence from various perspectives including sociology, criminology, anthropology, public health and women's studies. This collection analyzes social and institutional factors that contribute to their occurrence and provides strategies for prevention and change.

America's Dictator: FDR the Red Paul David Cook, 2011-06-17 A new post-FDR generation of Americans have been taught in our liberal leftist educational system that the 32nd President was an outstanding war strategist and that Stalin's Eastern European invasion was inevitable. Nothing could be further from the truth for the historical reality was that FDR was in reality a dangerous egotistical autocratic bumbler who winged it politically with little global vision resulting in multiple catastrophic international disasters that would negatively affect the world for generations to come. The FDR I am going to

show you is nothing like what you have been programmed to believe He was not only a compulsive liar and a hypocrite but also very vindictive often sadistic to the point of displaying a malicious destructive pattern of behavior that bordered on madness He was often filled with raging hatred against any opponent who dared to question his supremacy or bruise his delicate manic ego For decades the American public has been told a packet of lies repeatedly and in time those falsehoods have not only become accepted history we shoveled to our youth as fact until they read this book by design or chance
