

The background of the slide is a soft, warm sunset sky in shades of orange and yellow. In the lower right corner, there is a dark silhouette of a hillside. On the hillside, there is a tall palm tree and a small, classical-style gazebo with a roof and columns.

Love Hunger:

Sādhana Rabindranath Tagore, 1913 *Sadhana* literally a means of accomplishing something is an ego transcending spiritual practice It includes a variety of disciplines in Hindu Sikh Buddhist and Muslim traditions that are followed in order to achieve various spiritual or ritual objectives Perhaps it is well for me to explain that the subject matter of the papers published in this book has not been philosophically treated nor has it been approached from the scholar s point of view The writer has been brought up in a family where texts of the Upanishads are used in daily worship and he has had before him the example of his father who lived his long life in the closest communion with God while not neglecting his duties to the world or allowing his keen interest in all human affairs to suffer any abatement So in these papers it may be hoped western readers will have an opportunity of coming into touch with the ancient spirit of India as revealed in our sacred texts and manifested in the life of to day All the great utterances of man have to be judged not by the letter but by the spirit the spirit which unfolds itself with the growth of life in history We get to know the real meaning of Christianity by observing its living aspect at the present moment however different that may be even in important respects from the Christianity of earlier periods *Love and the Universe* Albert Durrant Watson, 1913 **Enlightened-Ish** Gail Dickert, 2013-02-12 *Enlightened ish* is one of the most approachable down to Earth books for anyone seeking a self guided spiritual awakening Gails work is honest inspiring and undoubtedly a refreshing read in a market of deeply esoteric and trite testimonies about spiritual enlightenment and self empowerment Gails story begins with the unexpected death of her father She dedicates herself to writing *Enlightened ish* and the belief that this event will guide her to confront death and loss in a way that few have had the courage to do She comes forward with experiences from childhood and adulthood with an outrageous audacity and authenticity She confronts the death of her father the loss of a spiritual community and the effects of witnessing a violent suicide a health crisis and a break up all events which occurred in an 10 month period Her ability to use storytelling as a means of identifying the universal truths that she calls the Twelve Freedoms of *Enlightened ish* Living keeps the reader engaged in a polite spiritual voyeurism that has not been matched Without exception her tenacity about being fully human and fully enlightened ish will change the trajectory of spiritualists in every religion Never before has a memoir been written with so much conviction and humility then packaged so powerfully that readers everywhere will be awakened to the power of storytelling *Enlightened ish* is raw conversational and unforgettable *Love's Coming of Age* Edward Carpenter, 1923

I'm Not FKin Lyin** Ausbon, 2011-08-11 *I m Not F kin Lyin* is a spiritual script written from the stance of an open minded point of view This script focuses on both personal transformation as well as global transformation Some of the main themes that the book focuses on include the purpose of conscious existence On Earth where consciousness On Earth is going based on where consciousness On Earth has been and it s all tied together with an intimate testimony of the authors personal experience growing up in the United States where he became a professional athlete only to sense a deeper calling as a

spiritual student While the script is written with a poetic flow it includes dream interpretation a hint of prophecy and is written with the intent to bring human consciousness ideas of coming together peacefully with love upon the prayer date of 12 22 12 and every breath beyond **Psychobiology and Cognitive Therapy of the Neuroses** LUNGWITZ,2013-11-11
