## Love Puzzle:

**The Sociable, Or, One Thousand and One Home Amusements ...** George Arnold, 1858      **The Untold Story**

Rebecca Kaddi, 2014-06-30 Author and writer Rebecca Kaddi has a passion for saving souls and building marriages. In this book she provides a true account of how Satan used his agent in the church to destroy marriages and Christians. She explains that as a sign for the end times, deception is on the rise, even in the churches. Deception is no longer dark for you to be able to distinguish easily. It appears just as written in 2 Corinthians 11:13-14: "For such are false apostles, deceitful workers, transforming themselves into apostles of Christ. And no wonder, for Satan himself transforms himself into an angel of light." NKJV. It is now very difficult to tell the difference between righteous and unrighteous, good and evil, clean and unclean, holy and unholy, and sacred and secular. The false prophets select the parts of the scripture that will support their philosophical and psychological intentions and deceive many into thinking that they are real. It is time for men and women to guide themselves with the spirit of discernment. This book reveals what to watch for so that you do not fall into their traps. They generally do not preach salvation. They may call the name of God and Christ but will never want you to be saved. They make you feel good and comfortable and never challenge you to come out of your sins and submit to God.      **Evening**

**Amusements and Book of Drawing-room Plays** Henry Dalton (pseud.), 1883      **The Book of Drawing-room Plays and Evening Amusements** Henry Dalton, 1861      *Sitting in the Flames* Dr. John Edwin DeVore, 2014-11-12 As reviewed by New York Times best-selling author Ellen Tanner Marsh. In clear, heartfelt prose, DeVore describes a brave and unflinching confrontation with his past, made necessary in order for him to have a more meaningful future. War, he realized, isn't just one man's experience; it's the sum total experience of an entire country. To stop wars, he argues, we must understand them and why we seem to need them. The gut-wrenching brutality experienced by American soldiers in Vietnam was for many the beginning of a lifelong personal struggle. Unlike many veterans who were unable to cope after returning to civilian life, John DeVore moved with facility from success as an Army officer to success in corporate America. Nevertheless, like many other veterans, the war haunted DeVore, and finally, in a process he narrates in this book, compelled him to make a commitment to free himself and our country from the addiction to war. Joel Andreas, author of *Addicted to War: Why the U.S. Can't Kick Militarism*, says John DeVore's important book chronicles the remarkable transformation of a professional soldier to a spiritual warrior of peace. A must-read for those interested in exploring the possibilities of a less violent global future. Manfred B. Steger, professor of politics and government, Illinois State University, research fellow, Globalization Research Center, University of Hawaii at Manoa, DeVore offers a simple explanation of the interconnectedness of his Western cultural conditioning, globalization, the reality of war, his civilian and military careers, and his search for spiritual roots. He certainly is a living example of the fearlessness and desire to help others that can begin to emerge through willingness to work with personal emotional turbulence: fear, anger, pride, envy, selfishness, ignorance, etc., on a daily basis. His story really helps us experience that it is
