DECLARATION – I hereby declare that:

Yes/No

I understand what plagiarism is (using another's work and presenting it as my own).

I understand and agree that plagiarism is wrong.

I am aware of and familiar with the University of the Witwatersrand's policy on plagiarism.

I understand the importance of clearly and appropriately acknowledging my sources, using the Chicago referencing style where needed.

I understand that a proper paraphrase or summary of ideas/claims/content from a particular source should be written in my own words with my own sentence structure and accompanied by an appropriate reference where needed.

I have correctly acknowledged all direct quotations and paraphrased content by way of appropriate, Chicago style in-text references where needed.

I understand that antiplagiarism software (e.g., Turnitin) is a useful resource, but that such software does not provide definitive proof that a document is free of plagiarism.

I have not allowed and will not allow anyone to copy my work with the intention of passing it off as his or her own work.

I have not made use of inappropriate sources, such as other students' essays or online essay-sharing sites, in preparing this written work.

I understand that this assessment is an individual assessment, and I have not engaged in any inappropriate collaboration, consultation, or answer sharing in preparing this written work.

I understand that the University of the Witwatersrand may take disciplinary action against me if there is a belief that this is not my own unaided work, if there is any evidence of inappropriate sharing between colleagues and myself or that I failed to acknowledge the sources of the ideas or words in my writing.
