

# Whatever Happened to the Resurrection Man?

Who knows how long the Resurrection Man wandered the Earth? In his time, he fought alongside Earth's mightiest heroes, lending them aid in life, with his near godlike powers. Or in death, with the promise of his return.

He watched his friends die. He watched them be born and live their lives. He watched them choose to be heroes at each turn. To sacrifice everything in the pursuit of greater purpose. The promise of some grand horizon they would never live to see.

He walked this world more times over than he could count and to him, it all looked much the same in the end. Past every horizon was only the promise of another.

So one day, he stopped looking for a destination he could not reach. And left in search of a place where he would be content to rest. He stopped wondering what lay beyond this life and decided to live the one he had.
