THE PERMANENT HORIZON

A New Search for Old Truths

By

*Ludwig
Lewisoohn*

Mr. Lewisoohn is in search of an "ultimate reality, some foundation on which men have built before and can, if it exists and if it remains, build again." He conducts his search among the various phases of present-day life, as the titles of his chapters indicate: "Toward Religion," "The Fallacy of Progress," "Is Love Enough?" "Mortal Strife," "A Bourgeois Takes His Stand," "Arts and the Man." A provocative book which will arouse discussion and invite controversy.
