**Ps1 Italian Studio Program 20002002:**

P.S.1, 2001 Essays by Lamberto Dini Giulio di Gropello Andrea Illy Luigi Ontani Giacinto Di Pietrantonio Alessandra Galasso Sabrina Zannier Roberto Daolio Maria Grazia Tolomeo and Andrea Pagano di Melito **Urban Flashes Asia**  
Nicholas Boyarsky, Peter Lang, 2003-11-07 Urban Flashes Asia from Wiley's Architectural Design series is a bold conceptual and architectural response to Eurocentric research in architecture. It introduces a network of globally dispersed architects and theorists working primarily in Asia. The contributors of Urban Flashes Asia are a globally active body that is fast developing a rapidly evolving language of urban imagination and invention. This is a new and intriguing version of events which is in step with the nature of urban developments in Asia as much of the region continues to come alive. The latest in Wiley's Architectural Design series. Featuring articles and projects inside and beyond Asia, it also includes interviews with Kazuo Shinohara and Nobuyuki Furuya and a Practice Profile of the Chinese architect Yung Ho Chang. All participants are leading architects/theorists in their own countries and this publication will introduce for the first time a number of key players and their work. Unique photo essays together with a vast body of architectural and art projects makes this a visual and exciting publication. The first comprehensive publication on the Urban Flashes Group, this book should be of interest to architects, artists, and urban designers.
