Germany Paul Carls,2022-08-31 Multiculturalism and the Nation in Germany A Study in Moral Conflict examines the new
debates surrounding matters of multiculturalism immigration and national identity in Germany in the wake of the 2015
Refugee Crisis Arguing that contemporary disputes are centered around four moral ideals or ideal visions of the German
community it draws upon the thought of mile Durkheim to identify the role of the sacred in political conflict The book argues
that at the heart of each moral ideal is a sacred object that legitimates specific policies and behaviors and that attempts to
realize moral ideals lead to conflicts involving free speech German Memory Culture inner party rivalries and political
violence that go to the very essence of what it means to be German The book includes a ground breaking theoretical
reworking of Durkheim s sociology which it applies to the study of power and politics as well as to debates in political
philosophy This volume will appeal to scholars across disciplines with interests in political sociology comparative politics

book looks at the emergence of internationally linked Japanese nongovernmental advocacy networks that have grown rapidly
since the 1990s in the context of three conjunctural forces neoliberalism militarism and nationalism It connects three
disparate literatures on the global justice movement on Japanese civil society and on global citizenship education Through
the narratives of fifty activists in eight overlapping issue areas global governance labor food sovereignty peace HIV AIDS
gender minority and human rights and youth Another Japan is Possible examines the genesis of these new social movements
their critiques of neoliberalism militarism and nationalism their local regional and global connections their relationships with
the Japanese government and their role in constructing a new identity of the Japanese as global citizens Its purpose is to
highlight the interactions between the global and the local that is how international human rights and global governance
issues resonate within Japan and how in turn local alternatives are articulated by Japanese advocacy groups and to analyze
