Origin of Humankind Sam Kneller, Humankind At the same time it s best friend and its worst enemy We re capable of the Declaration of Human Rights and Genocide sending a man to the moon and polluting our oceans Why are we inhabited by such extreme objectives What is the origin of such a paradoxical humankind Humans can be angels Mother Teresa Schindler and Dr Jekyll The Bible calls this righteousness Humans can be demons Saddam Hussein Stalin and Mr Hyde The Bible calls this sin We want humans to be loving kind peaceful and happy But Are we human angels or human demons We need to figure out what makes humans tick Are we subject to our consciousness and mind pulsations Do we have any choice in the matter The clock is ticking When it stops will it be heaven or hell I commend anyone who takes measures to look beyond the surface meaning of scriptures since
