Orthodox Spirituality A Brief Introduction

A. Edward Siecienski

Orthodox Spirituality A Brief Introduction:

Orthodox Spirituality Hierotheos Vlachos,1994 [Orthodox Spirituality](#) ,1987-03-01 **Spirituality: A Very Short Introduction** Philip Sheldrake,2012-11-29 It has been suggested that spirituality has become a word that can define an era Why Because paradoxically alongside a decline in traditional religious affiliations the growing interest in spirituality and the use of the word in a variety of contexts is a striking aspect of contemporary western cultures Indeed spirituality is sometimes contrasted attractively with religion although this is problematic and implies that religion is essentially dogma moralism institutions buildings and hierarchies The notion of spirituality expresses the fact that many people are driven by goals that concern more than material satisfaction Broadly it refers to the deepest values and sense of meaning by which people seek to live Sometimes these values are conventionally religious Sometimes they are associated with what is understood as the sacred in a broader sense that is of ultimate rather than merely instrumental importance This Very Short Introduction written by one of the most eminent scholars and writers on spirituality explores the historical foundations of the thought and considers how it came to have the significance it is developing today ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable **Orthodox Christianity: A Very Short Introduction** A. Edward Siecienski,2019-06-03 To many in the West Orthodoxy remains shrouded in mystery an exotic and foreign religion that survived in the East following the Great Schism of 1054 that split the Christian world into two camps Catholic and Orthodox However as the second largest Christian denomination Orthodox Christianity is anything but foreign to the nearly 300 million worshippers who practice it For them Orthodoxy is a living breathing reality a way of being Christian ultimately rooted in the person of Jesus and the experience of the early Church Whether they are Greek Russian or American Orthodox Christians are united by a common tradition and faith that binds them together despite differences in culture True the road has not always been smooth Orthodox history is littered with tales of schisms and divisions of persecutions and martyrdom from the Sack of Constantinople capital of the Byzantine Empire and seat of the Ecumenical Patriarch to the experience of the Russian Orthodox Church under the Soviet Union Still today Orthodoxy remains a vibrant part of the religious landscape not only in those lands where it has made its historic home Greece Russia the Middle East and Eastern Europe but also increasingly in the West Orthodox Christianity A Very Short Introduction explores the enduring role of this religion and the history beliefs and practices that have shaped it ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable **Orthodox Christianity** A. Edward

Siecienski,2019-06-03 Orthodox Christianity A Very Short Introduction explores the history beliefs and practices of the Orthodox Church Although it is Christianity s second largest denomination Orthodoxy remains shrouded in mystery and misinformation This Very Short Introduction lifts that shroud to show Orthodoxy for what it is a living breathing way of being Christian embraced by some 300 million believers worldwide

Philokalia Allyne Smith,2006 The Eastern Christian Love of the Beautiful can be a companion on your own spiritual journey A collection of writings by monks from the fourth to fifteenth centuries the Philokalia more than any other text reflects the Eastern Church s interpretation of the Bible s meaning Simply translated the title means love of the beautiful which reflects the text s emphasis on mystical and contemplative practices to engage all of our senses in the acts of worship and prayer This introduction to the wisdom of the Philokalia illuminates a text that until now has intimidated the general reader in its scholarly translations from Greek and Russian Allyne Smith focuses his thoughtful selection on seven themes that recur throughout the five volume work repentance the heart prayer the Jesus Prayer the passions stillness and theosis Smith s enlightening accessible facing page commentary fills in the historical and spiritual context clarifies core teachings including the Eastern understanding of salvation and draws connections to modern day practices such as contemplative prayer Now you can experience the spiritual wisdom of the Philokalia even if you have no previous knowledge of Eastern Christianity This SkyLight Illuminations edition takes you on a journey through this beloved text showing you how the teachings of Eastern monks can help you become by grace what God is by nature

Effective Discipling in Muslim Communities Don Little,2015-07-14 Muslims who come to Christ face momentous spiritual psychological and social obstacles that drive many to abandon their faith Missiologist Don Little draws on New Testament principles historical practices and interviews with seasoned disciplers ministering in Muslim countries to effectively disciple believers from Muslim backgrounds

Introduction to Orthodox Spirituality Vasileios The Athonite,2025-01-03 Introduction to Orthodox Spirituality This book offers a clear and accessible introduction to the core practices of Orthodox Christian spirituality Written for beginners and seekers it guides readers through the essential elements of the Orthodox faith including prayer fasting the sacraments and the transformative power of the Jesus Prayer Each chapter explores these practices in practical terms helping readers understand their spiritual significance and how they can be integrated into daily life With rich insights drawn from the ancient wisdom of the Orthodox Church this book provides a welcoming entry point for those looking to deepen their relationship with God through time honored spiritual disciplines

Why You Should Read This Book If you re seeking a deeper connection with your faith or exploring the richness of Orthodox Christianity for the first time this book offers the perfect starting point It provides a comprehensive yet simple framework for understanding Orthodox spirituality and its transformative potential By immersing yourself in the practices outlined in this book you will find meaningful ways to nurture your spiritual life develop a deeper sense of peace and draw closer to God in your everyday activities About the Author Monk Vasileios the Athonite has spent over 30 years living on Mount Athos the

spiritual heart of the Orthodox world His life of prayer contemplation and asceticism has shaped his deep understanding of Orthodox Christian spirituality This book is his first work addressing the Orthodox faithful and those interested in exploring the faith It is a culmination of his own spiritual journey devotion and personal experiences on Mount Athos offering readers a unique and profound perspective on the practices that form the foundation of Orthodox life *Biblical Spirituality*

Christopher W. Morgan,2019-06-24 What is spirituality For some it means nothing more than vague self improvement pulled from the latest best selling self help book For others it refers to some generic religious practice Shedding life giving light on what often remains ill defined and unclear this book sets forth a vision of biblical spirituality a renewed sense of the momentousness of being alive in God s world as God s people are led by God s Spirit through God s Word unto godly Christlike character With careful exegetical work and theological reflection the contributors pastors and scholars such as Christopher W Morgan Paul R House Nathan A Finn and Gregg R Allison address spirituality from the perspective of the Bible exploring topics such as the Trinity divine sovereignty and human responsibility the already and not yet and the church This book also addresses practical questions about spirituality related to the workplace disciplines of the body and more

Re-Introducing Christianity Amir Azarvan,2016-03-22 Faith means making a virtue out of not thinking And those who preach faith and enable and elevate it are intellectual slaveholders keeping mankind in a bondage to fantasy and nonsense that has spawned and justified so much lunacy and destruction Bill Maher Many seem unaware that contemporary critiques of Christianity are relevant mostly to its modern offshoots whose followers have to some extent earned Bill Maher s unflattering caricatures To its detriment Christianity is increasingly identified in people s minds with these more recent expressions As a result a growing number of people are turning away from Christianity and indeed religious faith altogether Drawing from an eclectic group of theologians clergy members monastics and lay scholars this edited volume re introduces Christianity to a modern audience It presents a more authentic experiential side of Christianity to the religious skeptic a side that eschews blind faith legalism and judgment a side that is rarely given a hearing in the ongoing debate with today s skeptics Re Introducing Christianity is also directed at modern Christians and refutes their most frequently expressed criticisms of what the contributors boldly but humbly call the Apostolic Faith *The Oxford Illustrated History of Christianity*

John McManners,1992 Spanning 2 000 years of stirring religious cultural and political events this lavishly illustrated volume provides the most authoritative and accessible history of Christianity ever published for the general reader Lavish illustrations genuine scholarship and crisp writing brings alive characters who for most are simply footnotes in textbooks or unworldly images in stained glass The Los Angeles Times 350 halftones 32 color plates 10 maps **The Place of the Heart** Elisabeth Behr-Sigel,2013-12-01 An Introduction to Orthodox Spirituality George C.

Papademetriou,1988-12-01 **Theology of the Icon** Léonide Ouspensky,1978 *Experience of God* Herbert Henry

Farmer,1929 *Christianity in the Soviet Union* ,1963 **The Greek Orthodox Theological Review** ,1962 Mystics

Quarterly ,2001

The Spectator ,1930

Philosophical Questions Series ,1973
