Making Workers Soviet Power Class And Identity

E. Anthony Swift

Making Workers Soviet Power Class And Identity:

Making Workers Soviet Lewis H. Siegelbaum, Ronald Grigor Suny, 2018-07-05 Drawing on such diverse sources as propaganda art the trade union press workers memoirs and materials in recently opened Soviet archives this is the first book to examine the shifting identity of the working class in late tsarist and early Soviet societies New essays by fifteen leading historians show how Russian workers responded to attempts to make them Soviet Initial chapters consider power relations and working class identity in imperial Russia The effects of the revolutionary upheavals of 1917 to 1921 on labor relations among printers and coal miners are then discussed Addressing subsequent decades other essays document the situation of cotton workers and white collar workers embroiled within the ambiguities of the New Economic Policy or challenge the appropriateness of class analysis for the Stalin era Additional chapters reconstruct workers responses to the Great Purges and trace the significance of class in visual and verbal discourse *Making Workers Soviet* will be central to the current rethinking of Soviet history and of class formation in noncapitalist settings

Popular Theater and Society in Tsarist Russia E. Anthony Swift, 2002-12-30 This is the most comprehensive study available of the popular theater that developed during the last decades of tsarist Russia Swift examines the origins and significance of the new people's theaters that were created for the lower classes in St Petersburg and Moscow between 1861 and 1917 His extensively researched study full of anecdotes from the theater world of the day shows how these people's theaters became a major arena in which the cultural contests of late imperial Russia were played out and how they contributed to the emergence of an urban consumer culture during this period of rapid social and political change Swift illuminates many aspects of the story of these popular theaters the cultural politics and aesthetic ambitions of theater directors and actors state censorship politics and their role in shaping the theatrical repertoire and the theater as a vehicle for social and political reform He looks at roots of the theaters discusses specific theaters and performances and explores in particular how popular audiences responded to the plays

Revolution and Counterrevolution Kevin Murphy, 2005-04 Why did the most unruly proletariat of the Twentieth Century come to tolerate the ascendancy of a political and economic system that by every conceivable measure proved antagonistic to working class interests *Revolution and Counterrevolution* is at the center of the ongoing discussion about class identities the Russian Revolution and early Soviet industrial relations Based on exhaustive research in four factory specific archives it is unquestionably the most thorough investigation to date on working class life during the revolutionary era Focusing on class conflict and workers frequently changing response to management and state labor policies the study also meticulously reconstructs everyday life from leisure activities to domestic issues the changing role of women and popular religious belief Its unparalleled immersion in an exceptional variety of sources at the factory level and its direct engagement with the major interpretive questions about the formation of the Stalinist system will force scholars to re evaluate long held assumptions about early Soviet society

Deference and Defiance in Monterrey Michael Snodgrass, 2003-06-02 The first comprehensive

history of labour relations and the working class in twentieth century Monterrey Deference and Defiance explores how both workers and industrialists perceived responded to and helped shape the outcome of Mexico s revolution Snodgrass s narrative covers a sixty year period that begins with Monterrey s emergence as one of Latin America s pre eminent industrial cities He then explores the roots of two distinct and enduring systems of industrial relations that were both historical outcomes of the revolution company paternalism and militant unionism By comparing four local industries steel beer glass and smelting Snodgrass demonstrates how workers and managers collaborated in the development of paternalistic labour regimes that built upon working class traditions of mutual aid as well as elite resistance to state labour policies Deference and Defiance in Monterrey thus offers an urban and industrial perspective to a history of revolutionary Mexico that remains overshadowed by studies of the countryside

Women at the Gates Wendy Z. Goldman,2002-02-25 The first social history of Soviet women workers in the 1930s

Everyday Life and the "reconstruction" of Soviet Russia During and After the Great Patriotic War, 1943-1948 Jeffrey W. Jones,2008

Constructing Soviet Cultural Policy Eglè Rindzevičiūtė,2008

Science for the Masses James T. Andrews,2003 In Science for the Masses James T Andrews presents a comprehensive history of the early Bolshevik popularization of science in Russia and the former Soviet Union Jacket

Industry, State, and Society in Stalin's Russia, 1926-1934 David R. Shearer,1996 In an effort to crush the syndicate movement and establish tight political control over the economy Stalinist leaders intervened with a program of radical reforms Shearer demonstrates that many professional engineers planners and industrial administrators actively supported the creation of a powerful industrial state unhampered by domestic social and economic constraints

Radical Historians Newsletter ,1992

A History of Russia: Since 1855 Walter Moss,2002

The Dictatorship of Sex Frances Lee Bernstein,2007 The Dictatorship of Sex explores the attempts to define and control sexual behavior in the years following the Russian Revolution It is the first book to examine Soviet sexual enlightenment a program of popular health and lifestyle advice intended to establish a model of sexual conduct for the men and women who would build socialism Leftist social theorists and political activists had long envisioned an egalitarian utopia and after 1917 the medical profession took the leading role in solving the sex question while at the same time carving out a niche for itself among postrevolutionary social institutions Frances Bernstein reveals the tension between the doctors advocacy for relatively liberal social policy and the generally proscriptive nature of their advice as well as their lack of interest in questions of personal pleasure fulfillment and sexual expression While supporting the goals of the Soviet state the enlighteners appealed to irrefutable biological truths that ultimately supported a very traditional gender regime The Dictatorship of Sex offers a unique lens through which to contemplate a central conundrum of Russian history the relationship between the supposedly liberated 1920s and repressive 1930s Although most of the proponents of sexual enlightenment in the 1920s would suffer greatly during Stalin s purges their writings facilitated the Stalinist approach to sexuality and the family Bernstein s book will interest historians of Russia gender sexuality and medicine as well as anyone

curious about social and ideological experiments in a revolutionary culture *International Labor and Working Class History*, 2005 **The Politics of Russian Populism, 1894-1929** Jason R. Antevil, 1998 **A History of Russia** Catherine Evtuhov, Richard Stites, 2004 A History of Russia Peoples Legends Events Forces is a comprehensive narrative conceived and developed after the collapse of the former Soviet Union Informed by the burgeoning historiography of the 1990s the text balances political and economic explorations of everyday life social roles cultural dynamics and gender issues Many texts on this subject are written from a pre Confederation point of view that may be unsuitable for today s classroom This text provides strong coverage of 20th century Russia and the U S S R without sacrificing its coverage of earlier historical periods

Just Labor Vladislava Vladimirova, 2006 **Slavic Review** , 2003 American quarterly of Soviet and East European studies varies Working Souls Page Herrlinger, 2007 **Healthy Spirit in a Healthy Body** Nina Sobol Levent, 2004 Healthy spirit in a healthy body was the foundational slogan of the physical culture campaign By the beginning of the 1930s sports had become one of the most frequently pictured subjects of art Images of beautiful sportswomen and muscular athletes were widely used by the Soviet mass media Sportsmen were found on every collective portrait of Soviet people they appeared on almost every significant officially commissioned work be it a large scale oil painting for the Soviet exhibition pavilion or decoration in a theater club palace of culture or metro station They were featured on posters covers of Soviet magazines on television news and even in movies Soviet textile and porcelain designers widely used sport motifs In fact the amount of the sport related visual material suggests that the images of sports constituted a genre on its own in official Stalinist art The primary focus of this research is the representation of the sporting body and the social and ideological forces to which the athlete s body was exposed This is also an attempt to position the body of the Soviet athlete in the context of Soviet mythology and reconnect it with the greater context of body representation in pre Bolshevik and late Stalinist traditions

Stalin's Police Paul Hagenloh, 2009-05-15 Stalin s Police offers a new interpretation of the mass repressions associated with the Stalinist terror of the late 1930s This pioneering study traces the development of professional policing from its pre revolutionary origins through the late 1930s and early 1940s Paul Hagenloh argues that the policing methods employed in the late 1930s were the culmination of a set of ideologically driven policies dating back to the previous decade Hagenloh s vivid and monumental account is the first to show how Stalin s peculiar brand of policing in which criminals juvenile delinquents and other marginalized population groups were seen increasingly as threats to the political and social order supplied the core mechanism of the Great Terror

Eventually, you will categorically discover a other experience and execution by spending more cash. nevertheless when? attain you admit that you require to get those every needs in the manner of having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will guide you to understand even more going on for the globe, experience, some places, like history, amusement, and a lot more?

It is your very own grow old to show reviewing habit. in the course of guides you could enjoy now is **Making Workers Soviet Power Class And Identity** below.

Making Workers Soviet Power Class And Identity Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Making Workers Soviet Power Class And Identity PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge

promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Making Workers Soviet Power Class And Identity PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Making Workers Soviet Power Class And Identity free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Making Workers Soviet Power Class And Identity Books

1. Where can I buy Making Workers Soviet Power Class And Identity books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
