

## English answers and explanations

8/2

## Questions 1 to 25

- 1 **D** The introduction states that Bronia (aged 3) is Ruth (aged 12) and Edek's (aged 11) younger sister.
- 2 **A** The introduction states that the story is set in Poland.
- 3 **B** The introduction states that the children 'are fleeing from the house across the roof after the storm troopers had dragged their mother away'.
- 4 **B** Line 13 states that the children 'made their new home in a cellar at the other end of the city.'
- 5 **A** Lines 4–7 describe the city being bombed. This would have resulted in buildings in the city being destroyed, becoming piles of rubble.
- 6 **C** The passage suggests that many people were in a similar situation to the children (i. e. the destruction of their town; the number of people living in the wood; the number of children working as smugglers) so the most likely explanation is that the Polish Council of Protection was unable to know exactly where every missing person went.
- 7 **E** Lines 29–30 state that Ruth and Bronia 'were allowed to draw the small rations' that the Nazis allowed.
- 8 **D** Lines 33–34 state that Polish Welfare set up soup kitchens which provided food for people in need, like the children of the story.
- 9 **D** As stated in line 36, the Nazis were the children's enemies and had caused the situation that led the children to be hungry and without their parents. As such, the children felt it was justified for them to steal the food.
- 10 **D** Line 38–39 state that they slept under 'an oak tree which Edek had chosen for the shelter of its branches'. This suggests that Edek wanted to shelter the children from the weather.
- 11–12 **B, E** **B:** The children living in the forest had nowhere to go all day, so by starting a school Ruth could keep them busy.  
**E:** It is also likely that the Nazis had closed the schools the children living in the woods normally attended.
- 13 **B** Lines 47 and 48 state that the *Biedronka* was smuggled into the woods, which suggests that it had to be hidden from the Nazis. Also, it was published by the Polish Underground press: the term 'underground' is used here to mean a group that works secretly against a government. As it is likely that the Nazis would have seized a journal produced by an underground group, the *Biedronka* had to be kept secret.
- 14 **C** Lines 49–50 state 'The grubby finger marks showed that other families had seen it before them.'
- 15–16 **A, C** **A:** By controlling the food supply the Nazis could make sure that their soldiers were given enough food by giving them first choice.  
**C:** By controlling something people need in order to live, the Nazis were able to control the lives of the Polish citizens.
- 17 **D** Lines 56–57 state that 'in return for his services, he was given all the food he needed for the family.'
- 18 **D** Edek was nearly caught by the Nazis smuggling butter and eggs in the logs. Line 70 states that 'After that, Edek did all his smuggling at night', which suggests that he felt that he would have a lower risk of being spotted by the Nazis if he did the smuggling at night.
- 19 **E** 'Relieved' means free from worry or stress, which is how Edek would have felt when he escaped being caught by the Nazi police patrol. The other options are all words associated with being frightened or unsuccessful.
- 20 **B** 'Distraught' means to be very upset, which is how Ruth would have felt after learning that Edek had been captured. Neither 'concerned' nor 'frustrated' are strong enough words to express the feelings Ruth would have after such a devastating event.
- 21 **D** Lines 61–62 describe what would happen if a boy Edek's age was caught: 'But boys as strong as he was would be carried off to Germany, for the Nazis were getting short of labour at home.' This suggests that Edek would have been taken to Germany and forced to work.
- 22 **B** As demonstrated several times in the passage, the children are forced to take on the role of adults. They are responsible for finding shelter (lines 22–27) and food (lines 29–36) – activities which are usually the responsibilities of an adult.
