**Project Management** Paul D. Gardiner, 2016-10-28 *Project Management A Strategic Planning Approach* provides a comprehensive overview of project management practice and balances the unique aspects of project management with the softer business strategy and people skills. It is thoroughly grounded in the latest international research and takes a skills orientated approach.

*Project Management* Paul Gardiner, 2017-09-16 *Project Management* is designed to appeal to undergraduate and postgraduate students studying project management on a business degree. It provides a comprehensive overview of project management practice while carefully balancing the unique aspects of project management curricula with the more general business skills including quality risk teams and leadership. The text includes a wide range of cases to connect the academic principles and the complexity of real life projects. The text is also supported by web based multiple choice questions as well as in text exercises and examples to illustrate the concepts and ideas throughout the book.

*Strategic Project Organizing* Graham Winch, Eunice Maytorena-Sanchez, Natalya Sergeeva, 2022 *Strategic Project Organizing* takes a unique approach to project management that places emphasis on the strategic and organizational aspects of projects and their leadership. Structured around the Three Domains model it covers all the fundamental project management concepts whilst guiding the reader through the organizational challenges of enabling positive change. Through the lens of strategic leadership this text equips students to know how to respond proactively to threats as well as seize opportunities in order to advantageously change the socio economic environment in an organization's favour. The text also helps students to understand the tools and techniques adopted during the process of organizational transformation. All chapters offer review and discussion based questions to encourage critical thinking as well as case vignettes and a longer end of chapter case study to help students apply theory to practice. Real life projects featured in the case studies include the Eden Project, the Thames Tideway Tunnel and the Berlin Brandenburg Airport. The ebook offers a mobile experience and convenient access [www.oxfordtextbooks.co.uk/ebooks](http://www.oxfordtextbooks.co.uk/ebooks).
