How to Read the Bible with Understanding Lane A. Burgland, 2016 From the Introduction Sometimes we hear people say that one person's interpretation is just as good as another's or that any individual's understanding of a Bible passage is valid for that person Our own experience should tell us that this is not true When we write a letter to someone we have a purpose in writing and want our reader to understand what we say We write as clearly as possible choosing the right words for our purpose so that our reader doesn't misunderstand us God does the same thing with the Bible Over a period of many centuries through a variety of human authors God has communicated His message He wants us to understand both the facts of the story and His purpose in writing See John 20:30-31 Reading the Bible with understanding means that we do not merely seek to understand the history of God's people or the story line of great literature We read the Bible to understand what God says to us With a pastoral heart Dr Lane A Burgland will lead you to a deeper understanding of God's life-giving Word The book includes the following Seven enduring principles on how to interpret different kinds of Scripture Chapters on how to interpret different kinds of Scripture The story of how we got the Bible Counsel on how to teach a Bible study and a checklist to help you prepare A biblical chronology and a history of biblical interpretation Book jacket

Never Knew and coauthor of *Jesus A New Vision* with N T Wright This welcome book removes many of the barriers that separate thoughtful people from the wisdom of the Bible Rabbi Harold Kushner author of *When Bad Things Happen to Good People* *The Bible Explained So Everyone Can Understand* Matthew L. Williams, 2025-11-23 This book is by design very brief It provides the bare minimum a non believer needs to become saved and to lead a productive spiritual life It is designed for Christian believers to give to their non believing friends acquaintances and relatives as part of their evangelization outreach The salvation process is discussed first Why we need it how we achieve it and the eternal afterlife consequences of having it or not Then the focus turns to God His ways are shown to be logical consistent and based on a few simple spiritual laws not arbitrary incoherent or beyond our understanding In fact He has embedded a lot of spiritual wisdom into the design of our world He made all the scientific laws that govern our physical universe to be parallel to all the spiritual laws that govern God s spiritual realm of Heaven For example Newton s 3rd Law of Motion in physics states that for every force exerted there arises an equal and opposite force to counter it We find the spiritual counterpart to this throughout the Bible In the Old Testament in the Law of Moses it is the eye for an eye teaching In the New Testament it appears in Jesus Sermon on the Mount in the same way you judge others you will be judged Matthew 7 2 In eastern religion it appears as karma Because the Bible s teachings are supported in this way by scientific evidence from the physical world around us it is more convincing to atheists agnostics and people from different religious traditions than books that merely cite verses from the Christian scriptures alone
