The Gospel of Jesus Christ

**I** Christ the Son of David, the Son of Abraham, the Son of Isaac, Isaac begot Jacob and his brothers.

Judah begot Perez and Zerah by Tamar, Perez begot Hebron and Ham.

Ham begot Cush, and Hebron begot Nahath, Zerah begot Ussur and Salma.

Salma begot Jerahmeel, Jerahmeel begot Onan and Pharan, Onan and Pharan begot David.

David the king begot Solomon by Bathsheba, who had been the wife of Uriah.

Solomon begot Rehoboam, Rehoboam begot Abiath, and Abiath begot Asa.

Asa begot Jehoshaphat, Jehoshaphat begot Joram, and Joram begot Uzziah.

man, and not wanting to follow his example, was minded to do differently.

**20** But while he was thinking these things, behold, an angel appeared to him in a dream, saying, thou son of David, do not be afraid: for I have conceived in thy womb, and shalt bring forth a Son, and He will be called Jesus, for He will save His people from their sins.

**21** And when thou art born, thou shalt call His name Immanuel, which was spoken by the Lord through the prophet, saying,

**22** Behold, the virgin shall be with child, and shall bear a Son, and they shall call His name Immanuel, which is translated, God with us.

**23** Then Joseph, being aroused from sleep, did as the angel of the Lord commanded him, and took to him his wife.

And so it was, that when Jesus was born, He was wrapped in swaddling clothes, and laid in a manger, because there was no room for Him in the inn.

And when Joseph and Mary saw that He was born a Son, as it was written by the Lord, they called His name Jesus.

## Reading To Matthew:

Reading Matthew as the Climactic Fulfillment of the Hebrew Story Martin Spadaro, 2015-09-09 This book is a reading of Matthew's Gospel as though it were written to integrate with and conclude the existing body of Scriptures. Matthew is read as though John was the last prophet of God and Israel's last chance for repentance and that Jesus was YHWH who had come to judge the Temple priesthood and covenant nation according to the terms of the covenant God made with Moses at Sinai. Through this lens, new interpretations are given to the infancy narrative, the Sermon on the Mount, the mission, the parables, and Jesus' arrival in Jerusalem along with the events that followed. By reading Matthew this way, a greater appreciation can be gained for its necessary place in the canon, and many of Matthew's well-known conundrums can be meaningfully addressed. As a Hebrew document, Matthew understood the necessity to record the crimes against YHWH, Jesus in Israel and Jerusalem as the ultimate cause for the termination of the ethnically and geographically bound covenant, which could then be replaced by the cross-cultural and international covenant that Christians now enjoy. **Reading Matthew for the First Time** Wilfrid J. **Textual Criticism and the Synoptic Problem in Historical Jesus Research** Hyeon Woo Shin, 2004 The criteria for originality priority and authenticity used in textual criticism the study of the Synoptic Problem and historical Jesus research share one basic similarity they were all designed to distinguish a prior tradition from its later developments All these areas of research investigate the transmission process which involves both preservation and alteration The sets of criteria used in one area are thus analogous to the sets of criteria used in the other two areas This assumption can be confirmed by observing numerous instances of such similarity in these sets of criteria On the basis of this assumption many other instances of similarity may be newly attained by adapting the set of criteria used in one area for use in the other two areas The sets of criteria for these three areas of research can be further generalized into a mother set of criteria which will provide us with a degree of methodological unification in these disciplines

*Dissension and Tenacity* Jione Havea, 2022-11-11 Doing theology requires dissension and tenacity Dissension is required when scriptural texts and the colonial bodies and traditions read Babylon that capitalize upon those inhibit or prohibit rising to life With nerves to dissent the attentions of the first cluster of essays extend to scriptures and theologies to borders and native peoples The title for the first cluster talking back with nerves against Babylon appeals to the spirit of feminist to talk back against patriarchy and Rastafari to chant down Babylon critics The essays in the second cluster titled persevering with tenacity through shitstems testify that perseverance is possible and it requires tenacity Tenacity is required so that the oppressive systems of Babylon

do not have the final word These two clusters are framed by two chapters that set the tone and push back at the usual business of doing theology inviting engagement with the wisdom and nerves of artists and poets and two closing chapters that open up the conversation for further dissension and tenacity Doing theology with dissension and tenacity is unending
