

Ciencia y arte en las lecturas de Durkheim sobre la filosofía política clásica (desde Platón hasta Montesquieu)* Science and Art in Durkheim's Readings of Classical Political Philosophy (from Plato to Montesquieu)

*Rodrigo Oscar Ottonello***

RESUMEN

Atendiendo al quiebre de la sociología con la extensa tradición de la filosofía política, ya señalado tanto desde la propia ciencia social como desde la teoría política, este texto propone una reconstrucción de la diferencia entre ciencia y arte, así como de los modos de ubicar a la política en esa clasificación, según cinco autores clásicos a los que Durkheim recurre para marcar las diferencias que singularizan a su proyecto: Platón, Aristóteles, Hobbes, Rousseau y Montesquieu. El objetivo es, contra algunas lecturas actuales, profundizar en un entendimiento de lo social no como dominio de lo político, sino como su límite.

PALABRAS CLAVE: Durkheim, sociología, filosofía política, Aristóteles, Platón, Hobbes, Rousseau, Montesquieu.

ABSTRACT

Taking into account sociology's break with the extensive tradition of political philosophy, recognized by both social science and political theory, this article proposes a reconstruction of the difference between science and art, as well as the ways of situating politics in that classification, according to five classical authors that Durkheim looks at to mark the differences that make his project unique: Plato, Aristotle, Hobbes, Rousseau, and Montesquieu. In contrast with some current literature, the aim here is to deepen our understanding of the social not as the field of politics, but as its limit.

KEY WORDS: Durkheim, sociology, political philosophy, Aristotle, Plato, Hobbes, Rousseau, Montesquieu.

Readings In Classical Politica:

Readings in Classical Political Thought Peter J. Steinberger, 2000-01-01 Designed to include all of the texts from Presocratics through Machiavelli likely to be read in an undergraduate course on classical political thought this anthology has at its core generous selections from Plato and Aristotle Building on this core is a sufficiently diverse and substantial selection of texts from other writers including Thucydides and the Sophists to allow for inquiry into the variety of Classical Greek approaches to politics as well as into Roman Medieval and Renaissance developments of the classical tradition Preeminent translations and the editor's own thoughtful introductions further distinguish this unique anthology

Classical Political Economy Michael Perelman, 2013-11-07 Classical Political Economy addresses the question of what determines the social division of labour the division of society into independent firms and industries and develops the theoretical implications of primitive accumulation It also offers a significantly different interpretation of classical political economy demonstrating that this school of thought supported the process of primitive accumulation Classical political economy presents an imposing facade For more than two centuries the accepted doctrine dictates that a market generates forces that provide the most efficient method for organising production This laissez faire approach is an ideology that gives capital absolute freedom of action and yet called for intervention to coerce people to do things that they would not otherwise do Classical political economy therefore encouraged policies that would hinder people's ability to produce for their own needs Michael Perelman however in this innovative take on the subject seeks to challenge the ideologies that would allow things to continue in this line unchecked Catalogue Williams College, 1927 **A list of books in the reading room, 1900** Chicago John Crerar libr, 1900 **Morality in the Age of Political Redemption** András Láncki, 2023-11-25 In modern times politics in the Western world has become the ultimate source of morality with the decline of religious and spiritual certainties Today public legitimacy both political and moral can only be derived from the idea that authority is based on individual decisions The foundation of modern Western morality is based on the priority of the individual hence the entitlement of modern democracy This book is a case in favour of communal based individualism Narrow minded individualism can only lead to modern forms of nihilistic morality such as egoism and narcissism Today the schisms of morality within Western culture are more and more visible between the USA and Europe and is within Europe which has been exacerbated by the rift between Europe and Russia The book argues that if these schisms are not handled in a moral sense then Nietzsche's prediction that Europe was to face two hundred years of nihilism might come true and would threaten Western civilization **Caliban's Freedom** Anthony Bogues, 1997-02-20 Leading scholars discuss ideology and hotly contested post structuralist theory **Political Philosophy** Louis P. The Political Interests of Gender Kathleen B Jones,Anna G Jonasdottir,1988 The Political Interests of Gender starts from the premise that contemporary political theory is inadequate when approached from the perspective of gender The book indicts contemporary political analysis for its silence about or ignorance of women s interests and challenges the hypothesis that the central concepts of political thought and its basic techniques are value neutral The contributors go on to consider what political theory and political communities would look like if women s interestes were addressed The aim is to reconstruct the methodology of political analysis to conceptualize political reality in terms of gender The book presents a powerful argument that to consider *Victims and the Labour of Justice at the International Criminal Court* Leila Ullrich,2024 [The Tragedy of Political Theory](#) J. Peter Euben,2020-09-01 In this book J Peter Euben argues that Greek tragedy was the context for classical political theory and that such theory read in terms of tragedy provides a ground for contemporary theorizing alert to the concerns of post modernism such as normalization the dominance of humanism and the status of theory Euben shows how ancient Greek theater offered a place and occasion for reflection on the democratic culture it helped constitute in part by confronting the audience with the otherwise unacknowledged principles of social exclusion that sustained its community Euben makes his argument through a series of comparisons between three dramas Aeschylus Oresteia Sophocles Oedipus Tyrannos and Euripides Bacchae and three works of classical political theory Thucydides History and Plato s Apology of Socrates and Republic on the issues of justice identity and corruption He brings his discussion to a contemporary American setting in a concluding chapter on Thomas Pynchon s The Crying of Lot 49 in which the road from Argos to Athens built to differentiate a human domain from the undefined outside has become a Los Angeles freeway desecrating the land and its people in a predatory urban sprawl

Justice, Politics, and the Family Daniel Engster,Tamara Metz,2015-11-17 At a time when same sex marriage gay adoption and the rise of single parent households challenge traditional views of the family this

innovative volume helps readers put such issues into social and legal perspective Engster and Metz bring together essential readings in political and legal theory and organise them to illuminate pressing contemporary debates on the family gender and justice parents and children the state and globalisation Justice Politics and the Family is an engaging and a diverse addition to the area of critical legal theory and sociology *Liberalism and the Emergence of American Political Science* Robert Adcock,2014-03-10 Winner of the 2015 Award for Concept Analysis in Political Science American political science has been widely but loosely identified as a liberal science Robert Adcock clarifies the place of American political science within the liberal tradition by situating its origins in relation to the transatlantic history of liberalism The pioneers of American political science participated in transatlantic networks of intellectual and political elites that connected them directly to the evolution of liberalism in Europe This book shows how these figures adapted multiple European liberal arguments to speak to particular challenges of mass democratic politics and large scale industry as they developed in America Political science s pioneers in the American academy were thus active agents of the Americanization of liberalism In charting the emergence of American political science Adcock shows how a distinct current of mid nineteenth century European liberalism was transformed into two alternative twentieth century American liberalisms When political science first secured a niche in America s antebellum academy it advanced a democratized classical liberal vision that overlapped with the contemporary European liberalism of Tocqueville and John Stuart Mill As political science expanded during the dramatic growth of universities in the Gilded Age controversy and cleavage within liberalism came to the fore in the area of political economy During the late nineteenth century this cleavage was fleshed out into the alternative analyses of democracy and the administrative state advanced by two divergent liberal political visions progressive liberalism and disenchanting classical liberalism Both visions found expression among the early leaders of the new American Political Science Association founded in 1903 and in turn within the fierce contest over the meaning of liberalism as this term entered American political discourse from the mid 1910s on The history of American political science allows us to see how a distinct current of mid nineteenth century European liberalism was transformed into alternative twentieth century American liberalisms *The Asian Economic Review* ,2000 **Syllabi** University of the State of New York,1928 Catalogue of Cornell College for ... Readings In Classical Politica Introduction

In the digital age, access to information has become easier than ever before. The ability to download Readings In Classical Politica has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Readings In Classical Politica has opened up a world of possibilities. Downloading Readings In Classical Politica provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Readings In Classical Politica has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Readings In Classical Politica. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Readings In Classical Politica. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Readings In Classical Politica, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Readings In Classical Politica has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.
