## Readings In Values Clarification:

**Readings in Values Clarification** Sidney B. Simon, Howard Kirschenbaum, 1973      **Values Clarification** Sidney B. Simon, Leland W Howe, 2009-09-09 Are you getting what you want out of life Do you know where you draw the line when it comes to sex money cheating on your income tax or accepting an indecent proposal Becoming aware of your values is the key to making wise choices in all aspects of your life from picking a partner to buying a house Created by Dr Sidney Simon coauthor of the bestselling *Getting Unstuck* and two other leading professionals this workbook has already had an impact on hundreds of thousands of lives Its scores of intriguing interactive exercises were designed to uncover the hidden beliefs that reveal what matters most to you how you deal with life changing conflicts which career choices will make you happiest what leisure time activities provide you with the most pleasure where you honestly stand on controversial issues what day to day events are likely to make you angry excited anxious confident how best to motivate yourself and what beliefs can cause conflict in your family or love relationship      **Values Clarification** Sidney B. Simon, Leland Howe, Howard Kirschenbaum, 1991-06-01      *Philosophical Foundations for Moral Education and Character Development* George F. McLean, Frederick Edward Ellrod, 1992      **Values Clarification in Counseling and Psychotherapy** Howard Kirschenbaum, 2013-03-06 This work meets a long standing need in the helping professions by being the first and only comprehensive book on how counselors and psychotherapists can work with clients around values goal setting decision making and action planning Helping clients determine their priorities set goals make decisions and take action to improve their lives are common tasks for virtually all helping professionals when engaging with clients This is the process known as values clarification or Values Clarification While counselors and psychotherapists widely practice values clarification some knowingly others unaware they typically do so with a limited understanding of its theory methods and various applications This book demonstrates with great precision case studies and hundreds of clinical examples how counselors and psychotherapists in many fields can ask good clarifying questions conduct clarifying interviews and employ dozens of values clarification strategies with individuals couples families and groups To illustrate how values clarification can be used to explore a myriad of counseling topics the examples throughout the text are often grouped around more specific applications for marriage and family counseling career counseling substance abuse and recovery counseling geriatric counseling grief counseling pastoral counseling financial counseling school counseling rehabilitation counseling counselor clinical education and supervision health counseling and personal growth There are clear descriptions of what values clarification is and is not theory and research multicultural and diversity issues and how counselors and therapists can handle value and moral conflicts with clients Values clarification is compared and contrasted to other approaches to counseling and psychotherapy including person centered cognitive behavioral reality therapy choice theory existential individual psychology solution focused narrative motivational interviewing acceptance and commitment therapy appreciative inquiry life coaching and

positive psychology     Reconstructing Education Greta Hofman Nemiroff,1992-05-30 Drawing on elements of progressive education existential theory feminist pedagogy and values education critical humanism combines the holistic psychological concerns of humanistic education with the sociopolitical contextualization of critical pedagogy Developed over the past seventeen years in one of North America s most experimental postsecondary programs The New School of Dawson College this theory and practice responds to both the personal and the political needs of students Reconstructing Education is at once a review of this century s educational theories an account of the work at the school and an empowering illustration of the way in which schools can incite the motivation of students and encourage them to become active members in a truly democratic society The case study chapters on The New School give concrete examples of how this philosophy is manifested in the school s methodology structure and pedagogy and draws heavily on the written work of teachers and students To formulate a similar approach for a specific school it is essential to combine a rigorous analysis of existing educational models with the dialectical process of creating and recreating a new model defined by the articulation of both learners and teachers affective cognitive and socially constructed needs This is a valuable book for anyone concerned with alternative approaches to education and for courses on educational theory or the philosophy of education     Morality Examined Bruce D.
