Traditional Anglo-American Folk Music Norm Cohen,2015-12-22 Originally published in 1994 Filling a gap in the sound recordings of traditional Anglo American folk music this volume covers both vocal and instrumental material from the 1920s to the 1990s The listings have also been limited to performers native to the tradition rather than revival performers The album selection is grouped into field recordings and commercial pre 1942 recordings with subdivisions into individual recordings or anthologies The discography not only reflects its author s in depth knowledge of Anglo American folk music s historical development but charts a valuable step forward in the evaluation as well as select listing of available sound recordings

The Secret Gospel of Mark Unveiled Peter Jeffery,2007-01-01 In 1958 Bible scholar Morton Smith announced the discovery of a sensational manuscript a second century letter written by St Clement of Alexandria who quotes an unknown longer version of the Gospel of Mark When Smith published the letter in 1973 he set off a firestorm of controversy that has raged ever since Is the text authentic or a hoax Is Smith s interpretation correct Did Jesus really practice magic or homosexuality And if the letter is a forgery why Through close examination of the discovered manuscript s text Peter Jeffery unravels the answers to the mystery and tells the tragic tale of an estranged Episcopalian priest who forged an ancient gospel and fooled many of the best biblical scholars of his time Jeffery shows convincingly that Smith s Secret Gospel is steeped in anachronisms and that its construction was influenced by Oscar Wilde s Salome twentieth century misunderstandings of early Christian liturgy and Smith s personal struggles with Christian sexual morality
