## **Pitfalls And Promises Of Pastoring:**

*The Pitfalls and Promises of Pastoring* Gregory M. Weeks, 1989      *Crazy Mistakes We Pastors Make and How to Learn from Them* Tunde Babalola, 2015-01-29 Spirituality is for those seeking understanding religion is for those seeking reward Unknown I have to admire the courage Pastor Tunde Babalola has demonstrated in writing this book especially at his time in our history and in the church where so much is done in the name of Jesus that has done more harm than good More so as we are battling to remain relevant in a fast changing technological world filled with reality shows while we continue to pretend that this is all God is to a confused and dying world Scripture tells us in Romans 8 19 NKJV For the earnest expectation of the creation eagerly waits for the revealing of the sons of God If there is ever a time this scripture is real and needs to be fulfilled it is now      **Paul's Pastoral Passages of Promise** Donald Charles Lacy, 2007-10 The New Testament epistles are a marvelous guidebook full of practical wisdom on living the Christian faith Providing much more than just a glimpse of the specific issues facing the early church the pastoral letters contain a multitude of timeless lessons for contemporary spiritual pilgrims who seek to grow in their daily walk with the Lord In these outstanding sermons based on the Second Readings from Cycle B of the Revised Common Lectionary the epistles nourishing teachings are applied to today's complex challenges Here is a wealth of creative ideas and illustrations helpful for preaching teaching and meditation These biblically grounded sermons shine the light of Christ on our often confusing world and proclaim the richness of God's truth offering readers comfort and hope while challenging them to a more intense faith relationship with the Almighty      *Reproducible Pastoral Training* John Patrick O'Connor, George Patterson, 2006 Patrick O'Connor highlights specific action oriented principles from the teachings of George Patterson as he guides the reader through the various aspects of cross cultural ministry the gathering of new believers the development of new churches the mobilization of new churches into a movement the training of new leaders and the departure of the pioneering ministers      **A Pastoral Theology of Childlessness** Emma Nash, 2021-05-31 The experiences of infertility and childlessness while not worse than other griefs and disappointments people experience are nevertheless distinctive in a number of important respects Unlike other griefs they often take place in private with no body no funeral and no public acknowledgement of the loss In her profound and wise theology of childlessness Emma Nash takes her own story as a starting point examining several distinctive features of this painful human experience She asks what biblical and theological resources offer consolation and what liberative action individuals and churches might take to make an appropriate response Weaving trauma theology together with personal experience Nash offers a profound and heartfelt theological reflection which breaks the barriers between pastoral resource and carefully constructed theology      **Decolonial Horizons** Raimundo C. Barreto, Vladimir Latinovic, 2023-12-27 This is the first of two volumes of essays from the Ecclesiological Investigations International Research Network's 14th International Conference focused on decolonizing churches and theology addressing oppressions based on gender racial and ethnic identities

economic inequality social vulnerabilities climate change and global challenges such as pandemics neoliberalism and the role of information technology in modern society all connected with the topic of decolonization The essays in this volume focus on decoloniality in religious and theological dialogue migration history and education written from historical dogmatic social scientific and liturgical perspectives

**More Than a Promise** Hurbert F. Sturges,2013-10-31 As soon as there was sin there was a Savior From times eternal God knew that Satan would introduce sin into planet earth infecting its inhabitants Out of His great love for the human family the Father Son and Holy Spirit united in carrying out the great plan of redemption and in fulfilling the everlasting covenant of grace In Mark s hard hitting Gospel the Son of God suddenly appears rising out of the Jordan River hair wet anointed by the heavenly dove and surrounded by the thunder like echo of His Father s approval From this point on all of Jesus recorded words and actions move steadily and unflinchingly toward Christ s sacrifice on the cross where He suffered and died for the redemption of humankind Popular beliefs about the covenant have fragmented God s interactions with the human race insisting that God s plan of redemption for the Jews on Sinai had little or nothing to do with His plan of redemption for new covenant believers Taking his cue from Paul s aligning of God s new covenant promise with His covenant with Abraham and from Peter s New Testament repetition of God s promise of His people being a holy nation Dr Hubert F Sturges argues convincingly and biblically that there is more continuity than discontinuity in God s covenants with the human race Tracing God s saving actions through Scripture and history Dr Sturges reveals the strategic steps that the Father Son and Holy Spirit took in fulfilling their continuing commitment to the human family With bite sized chapters divided into three sections **More Than a Promise The Everlasting Covenant as Presented Throughout History** will cause you to reflect on God s great love and mercy for the human race
