

A man with short brown hair and a light beard is the central focus, looking directly at the camera with a serious expression. He is making a 'shh' gesture with his right index finger pressed against his lips. He is wearing a yellow-orange collared shirt. He is surrounded by a dense crowd of identical orange mannequin heads and shoulders, all wearing similar yellow-orange shirts. The background is a soft-focus continuation of the crowd, creating a sense of being in a large group. The lighting is warm and even, highlighting the textures of the man's skin and the smooth surface of the mannequins.

Plain Sight:

Advent in Plain Sight Jill J. Duffield, 2021-09-14 At Christmas God came into our ordinary world in the form of a child and still today God is at work through the ordinary stuff of life if we train our eyes to see In this daily devotional for Advent Christmas and Epiphany Jill J Duffield draws readers attention to ten ordinary objects that appear in the biblical narratives of messianic prophesy and incarnation objects we encounter in our own lives Through objects such as gates trees cloth light and water readers will find new meaning in the biblical account of Jesus coming By connecting everyday objects with biblical texts *Advent in Plain Sight* prompts readers to see the near kingdom of heaven on earth and ponder what that divine proximity enables and asks them to do and be Each daily devotional features a Scripture reading prayer and reflection reminding Christians that God still dwells among us even in the most ordinary places

Happiness: Hidden in Plain Sight Jeanne Adams, 2014-11-10 Our society bombards us with negativity a lack of respect and fear We are losing our ability to find the good in others or in situations We are unintentionally blind to natural beauty and we lack the motivation to make positive changes *Happiness Hidden in Plain Sight A Response from Within* is the average persons guide to everyday psychological insights with an emphasis not on analyzing why we are living by rote but on how to make things much better Realizing that happiness comes from within not from others or possessions is critical to a successful search for happiness It is not something to be won or earned but Gods gift to be discovered For a change there now is a book that is actually practical a book that not only discusses twenty of the most important therapeutic guidelines for a happier life but also suggests hundreds of positive ideas These ideas are designed to remind and motivate the reader to seek out the good things in life that are hidden in plain sight As a professional therapist and after meeting thousands of unhappy people Jeanne has found that by taking specific positive actions and developing mindfulness a person can immediately begin to experience a more peaceful and happy today

Relics of War Jennifer Raab, 2024-09-10 How a single haunting image tells a story about violence mourning and memory In 1865 Clara Barton traveled to the site of the notorious Confederate prison camp in Andersonville Georgia where she endeavored to name the missing and the dead The future founder of the American Red Cross also collected their relics whittled spoons woven reed plates a piece from the prison s dead line a tattered Bible and brought them back to her Missing Soldiers Office in Washington DC presenting them to politicians journalists and veterans families before having them photographed together in an altar like arrangement *Relics of War* reveals how this powerful image produced by Mathew Brady opens a window into the volatile relationship between suffering martyrdom and justice in the wake of the Civil War Jennifer Raab shows how this photograph was a crucial part of Barton s efforts to address the staggering losses of a war in which nearly half of the dead were unnamed and from which

bodies were rarely returned home for burial The Andersonville relics gave form to these absent bodies offered a sacred site for grief and devotion mounted an appeal on behalf of the women and children left behind and testified to the crimes of war The story of the photograph illuminates how military sacrifice was racialized as political reconciliation began and how the stories of Black soldiers and communities were silenced Richly illustrated Relics of War vividly demonstrates how one photograph can capture a precarious moment in history serving as witness advocate evidence and memory *Lost in Plain Sight* Tom Rider, Jan Sydnam, Tanya L.
