The Actor as Playwright in Early Modern Drama Nora Johnson,2009-07-30 Nora Johnson s study of actors who wrote plays in early modern England uncovers important links between performance and authorship The book traces the careers of Robert Armin Nathan Field Anthony Munday and Thomas Heywood actors who were powerfully interested in marketing themselves as authors and celebrities but Johnson contends that authorship as they constructed it had little to do with modern ideas of control and ownership Finally the book repositions Shakespeare in relation to actors considering Shakespeare s famous silence about his own work as one strategy among many available to writers for the stage The Actor as Playwright provides an alternative to the debate between traditional and materialist readers of early modern dramatic authorship arguing that both approaches are weakened by a reluctance to look outside the Shakespearean canon for evidence

Mixed Faith and Shared Feeling Musa Gurnis,2018-07-31 Mixed Faith and Shared Feeling explores the mutually generative relationship between post Reformation religious life and London s commercial theaters It explores the dynamic exchange between the imaginatively transformative capacities of shared theatrical experience with the particular ideological baggage that individual playgoers bring into the theater While early modern English drama was shaped by the polyvocal confessional scene in which it was embedded Musa Gurnis contends that theater does not simply reflect culture but shapes it According to Gurnis shared theatrical experience allowed mixed faith audiences to vicariously occupy alternative emotional and cognitive perspectives across the confessional spectrum In looking at individual plays such as Thomas Middleton s A Game of Chess and Shakespeare s Measure for Measure Gurnis shows how theatrical process can restructure playgoers experiences of confessional material and interrupt dominant habits of religious thought She refutes any assumption that audiences consisted of conforming Church of England
