Nation Transformed:

A Nation Transformed Alan Houston, Steve Pincus, 2001-08-20 A Nation Transformed is a major collection of essays by a mix of young and eminent scholars of early modern English history literature and political thought The fruit of an intense interdisciplinary two day conference held at the Huntington Library California it asks whether and in what ways the culture and politics of early modern England was transformed by the second half of the seventeenth century In sharp contrast to those who have emphasised continuity and the persistence of the ancien r gime the contributors argue that England in 1700 was profoundly different from what it had been in 1640 Essays in the volume deal with changes in natural philosophy literature religion politics political thought and political economy The insights offered here based on innovative research will interest scholars and students of early modern history Renaissance and Augustan literature and historians of political thought

God's Mandate for Transforming Your Nation Dexter Low, 2016 What is the church s mission in the 21st century Malaysian apostle and missiologist Dexter Low says nation transformation must become our new agenda for fulfilling the Great Commission in our time The current model which calls for uniting the church s leaders worldwide to win 1 billion souls and plant 5 million churches by 2021 isn t working Ultimately it cannot because its emphasis on church planting and evangelism excludes social transformation But when the key pillars of social influence are also realigned according to kingdom principles then your nation any nation will be transformed God s Mandate for Transforming Your Nation provides practical instructions on advancing God s kingdom globally True examples of ways that lead to measurable results are included Low will both challenge and inspire you as a Christian leader to take a significant step forward in fulfilling the church s mission in the 21st century
