**Christianity, Democracy, and the Radical Ordinary** Stanley Hauerwas, Romand Coles, 2008-01-01 In Christianity Democracy and the Radical Ordinary theologian Stanley Hauerwas and political theorist Romand Coles reflect about possibilities and practices of radical democracy and radical ecclesia that take form in the textures of relational care for the radical ordinary They seek to shift political and theological imaginations beyond the limits of contemporary political formations such as global capitalism the mega state and empire which they argue are based upon both the denial and production of death Hauerwas and Coles call us to a revolutionary politics of wild patience that seeks transformation through attentive practices of listening relationship building and a careful tending to places common goods and diverse possibilities for flourishing Both authors translate back and forth across as well as dwell in the tensions between the languages of radical democracy and of trial cross and resurrection Engaging each other through a variety of genres from essays to letters to cowriting and dialogue Hauerwas and Coles seek to enact a politics that is evangelical in its radical receptivity across strange differences and that cultivates power in relation to vulnerability The authors argue that there is a strong relation between hope and imagination as well as between imagination and the encounter with and memory of those who have lived with receptive generosity toward the radical ordinary Hence throughout this book they think extensively in relation to specific lives and practices from Ella Baker and the early Student Nonviolent Coordinating Committee organizing efforts for beloved community and civil rights to L Arche communities founded by Jean Vanier to contemporary faith based radical democratic organizing efforts in dozens of cities by the Industrial Areas Foundation Pushing and pulling each other into new and insightful journeys of political imagination this conversation between a radical Christian and a radical democratic trickster spurs us toward a politics that acknowledges tends to and enacts the powers of the radical ordinary

**Battles he Fought** Zacharias Tanee Fomum,1901 There are principalities and powers that stand in the way of the gospel In the Bible God showed Daniel that there would be four principalities to stand in the way of Israel to prevent it from being the nation from which the Messiah would come There was no nation of Israel at the time and Daniel went to war fasting and praying the Bible tells us that the principalities were overthrown Daniel is one of the prophets who tackled principalities and powers for their overthrow four principalities and powers That is the only Bible equivalent of the kind of ministry the author Z T Fomum carried out In 1987 after God had given him the goal of our ministry the Lord now showed him the principalities and powers that would stand as obstacles to the accomplishment of the goal The overthrown of those principalities is the kind of ministry brother Zach carried out on behalf of God s purposes and our ministry **25 Books Every Christian**
