Writing in Witness Eric J. Sundquist, 2018-06-25 A comprehensive survey of the most important writing to come out of the Holocaust Writing in Witness is a broad survey of the most important writing about the Holocaust produced by eyewitnesses at the time and soon after Whether they intended to spark resistance and undermine Nazi authority to comfort family and community to beseech God or to leave a memorial record for posterity the writers reflect on the power and limitations of the written word in the face of events often thought to be beyond representation The diaries journals letters poems and other works were created across a geography reaching from the Baltics to the Balkans from the Atlantic coast to the heart of the Soviet Union and in a wide array of original languages Along with the readings Eric J Sundquist's introductions provide a comprehensive account of the Holocaust as a historical event Including works by prominent authors such as Primo Levi and Elie Wiesel as well as those little known or anonymous Writing in Witness provides in vital and memorable examples a wide ranging account of the Holocaust by those who felt the imperative to give written testimony Written in every European language in every conceivable manner and from every point on the Holocaust compass prisons ghettos transports concentration and labor camps killing fields bunkers makeshift shelters camps for displaced persons these diary entries letters testimonies eyewitness accounts poems stories sermons and inscriptions demand that they be heard Written by Jewish men women and children by Christian bystanders and yes even by two German perpetrators they depict the living nightmare as it unfolds Six nightmare years and their aftermath are rendered in a language that defies the limits of language an inescapable present that eclipses the past and cries out to an unattainable future In the beginning was the Holocaust and this is its story as told by its original responders David G Roskies author of Holocaust Literature A History and Guide Writing in Witness is a devastatingly and deeply honest work of testimony by those whose worlds were shattered by the catastrophic rupture of the Holocaust It is also and primarily a testament to the strength and courage of those who experienced the atrocities of Nazism and who felt compelled to write about those events in clear unsparring language Eric Sundquist editor of this important collection provides a sensitive selection of primary texts by men and women who witnessed the machinery and implementation of genocide In his thoughtful and knowledgeable introduction Sundquist establishes the framework for the ethical engagement of reader and eyewitness in the calculation of enormous loss The various genres of witnessing included in this collection diaries poems memoirs letters records evoke in their clarity ancient forms of lamentation and Midrash giving voice to memory With judiciously interpretive preliminary material introducing each section Sundquist lets the witnesses speak for themselves No course on Holocaust literature or history

should be without this anthology Victoria Aarons editor of Third Generation Holocaust Narratives Memory in Memoir and Fiction This wide ranging and affecting collection of firsthand accounts of the Holocaust each expertly chosen and deftly introduced and contextualized will be ideal for teaching purposes and indispensable to anyone intent on recovering a sense of what the horror felt like Eric Sundquist has assembled an extraordinarily illuminating and powerful book Peter Hayes Theodore Zev Weiss Holocaust Educational Foundation Professor Emeritus Northwestern University Writing in Witness is a rich assortment of written accounts of diverse aspects of the experience of the Holocaust that are skillfully chosen and masterfully introduced and contextualized What emerges from an overarching reading of these collective texts is a sense of how the actors who experienced or witnessed the events of the Holocaust registered them in language and through the sometimes immediate sometimes reflective process of writing Erin McGlothlin author of Second Generation Holocaust Literature Legacies of Survival and Perpetration

The Political Philosophy of Zionism Eyal Chowers,2012-02-27
Zionism emerged at the end of the nineteenth century in response to a rise in anti-Semitism in Europe and to the crisis of modern Jewish identity This novel national revolution aimed to unite a scattered community defined mainly by shared texts and literary tradition into a vibrant political entity destined for the Holy Land However Zionism was about much more than a national political ideology and practice By tracing its origins in the context of a European history of ideas and by considering the writings of key Jewish and Hebrew writers and thinkers from the nineteenth and twentieth centuries the book offers an entirely new philosophical perspective on Zionism as a unique movement based on intellectual boldness and belief in human action In counter distinction to the studies of history and ideology that dominate the field this book also offers a new way of reflecting upon contemporary Israeli politics Catalog of Copyright Entries.
