

HOW DO YOU CREATE YOUR OWN SELF-SOOTHING KIT?

Start with identifying what brings you comfort. Reflect upon what your senses connect with the most during times of calm. Is it the soothing aroma of lavender, the soft melody of raindrops, the visual tranquility of a beach sunrise, or the taste of a hot cup of chamomile tea? Once you've identified these elements, gather them together in your kit.

Remember, your self-soothing kit doesn't have to be extravagant or expensive. It's all about personalization and meaning. A cherished photo, a piece of smooth sea glass, or a favorite quote can be just as powerful as a high-end aromatherapy set. It's all about what resonates with you.

HOW TO USE YOUR SELF-SOOTHING KIT?

To use your kit, first, you can find a quiet and comfortable space where you can be undisturbed. Open your kit and slowly explore the items, one at a time. You might start with a comforting tactile item like a soft blanket or plush toy. Feel its texture, and concentrate on the sensation it provides.

Next, you might reach for a scented candle or essential oils. Inhale deeply, allowing the calming aroma to permeate your senses. If you have included auditory items, like a calming playlist or a recorded mindfulness exercise, put your headphones on and let the calming sounds wash over you.
