

# FOUR MODES OF DISCOURSE

EnglishGrammarSoft.Com

Discourse can be described as the exchange and circulation of ideas amongst those who have different views or opinions, regardless of their social standing.

## 1-ARGUMENTATION

The goal of argumentative writing isn't necessarily to be original, but rather to stimulate thought and discussion by turning words on their heads.

## 2 - NARRATION

Narration is focused on giving the people something they can rely on - a trustworthy narrator who will tell the story straight.

## 3 - DESCRIPTION

The description is the level of detail that a writer provides about people, places, and things in order to create an image. It can make readers feel like they are there or be transported back into time for them.

## 4 - EXPOSITION

Exposition is the process of explaining something to someone else. It primarily focuses on conveying complex ideas or concepts through analogy, example, and argument.
