RICHARD,2015-01-15 Justin Imperiale is running his Kingdoms He has also found a way to create interstellar Gates that allow a person to walk from planet to planet Suddenly an enormous sea creature is sighted off of his Kingdom of The Islands Justin has to figure a way to deal with the beast Justin then figures a way to take revenge on those who dumped the sea beast in Corin His Kingdom of Mesodania is attacked by revolutionaries led by one who calls himself the True Prophet Justin finds a way to fight back with model airplanes He then discovers that the Mesodanian revolutionaries were armed by the North Continent nation of Pors Justin then figures a way to take revenge on those who armed the revolutionaries Justin is then confronted by a young lady with paranormal powers The incident leads him to realize that Arvion is still after him and leads to the discovery of spies The nation of Ruthenia provides most of the natural gas used to heat homes and generate electricity in the Old World North Continent nations Suddenly Ruthenia wants to double the price of their natural gas Justin figures a way to provide

replacement natural gas for his North Continent Kingdoms However if he can figure out how to supply the other North Continent nations he can probably acquire several more North Continent Kingdoms in return for solving the problem Justin does find a source for natural gas but lacks a way to get to the source However he thinks back to something that Arvion his enemy does and just maybe Justin can figure out how to do the same thing Any solution will involve the understanding of higher dimensional spaces above the three physical spaces in which the people of Corin live Along the way Justin figures out how to set up a perfect prison His solution is cheap and escape proof However he then has to deal with pipeline bandits One night Justin is again visited by a ghost or at least a creature who lives in higher dimensional space The ghost reviews some of what Justin has done and tells Justin that some of the powerful beings who live in higher dimensional space are not too happy with him

**Second Chance** R Richard,2009-08-01 Justin Imperiale finds that there are those who are growing and storing illegal weed in Zaya and not paying Justin his taxes He investigates and then sets up a plan to raid a main weed storehouse in Zaya The raid of the weed warehouse goes well and Justin gains weed money and more weed from a truck delivering the stuff to the warehouse Justin then leads a small scale military expedition into the area where some of the locals are growing illegal weed Justin and his men then seize all the property of the weed growing drug lords for non payment of taxes He finds that there s to be a major drug shipment up from the South of Zaya and through the territories of the few warlords who still control parts of Zaya With the help of professional train controllers Justin plans a raid on the drug train that s to transport the contraband through Zaya With the help of the train controllers his Commandos and his Voya subjects who live in the southern jungles of Zaya Justin steals a train in Golomon to the South of Zaya and hijacks the drug train cargo Justin gets the stolen train into Zaya but the train then suffers what the train people call a hot box on one of the wheel assemblies of a car The train can t be moved further without damage Justin his Commandos and the Voya set up a defence for the stalled train Army forces from Golomon to the South of Zaya then try to pursue the stolen train There s another jungle war and Justin s forces rout the Golomon forces Justin goes to the Association of Nations people in Mervon There s a considerable flap about stolen trains Justin flim flams the President of the Association of Nations and lets the President know that there will probably be trouble in Golomon The trouble will involve Justin s Voya people and Justin will intervene Justin then asks the Association of Nations to expel Golomon after he proves that the train is carrying drugs Of course Justin knows that the Association of Nations won t expel Golomon but that the discovery of drug smuggling will make further Golomon invasion of Zaya totally impractical politically A patrol boat arrives from out of space piloted by a single very beautiful woman The woman is interrogated by Head Priests of the Temples of Averno and found to be very dangerous trap for Justin He arranges to abandon the woman where she ll be captured by the Sky Path people an original inhabitant revolutionary group The woman and the Sky Path people will neutralize each other for a while He flies down to the South of Zaya and with Voya warriors invades Golomon Justin and a pitifully small force manage to fight a delaying action until Zayan soldiers can arrive

The arrival of the Zayan soldiers results in a rout of the Golomon Army and Justin becomes the King of Golomon In the wrap up of the conquest of Golomon Justin flies a very sick Voya woman to a hospital in the very South of Golomon There he becomes involved with Mokusato original inhabitants Justin then enters the Temple of The Mad King and as a result becomes the King of The Sky for the Mokusato With the help of the Mokusato Justin then conquers Helgryn the country to the South of Golomon Justin then begins the running of his new Kingdoms in Golomon and Helgryn to benefit the citizens and not just a few rich families He then receives a message in the Galactic language from the South Continent The sender claims to be from the planet Glyon
