

Moises Moses

François J. Amours

Moises Moses:

African Immigrants in Contemporary Spanish Texts Debra Faszler-McMahon, Victoria L. Ketz, 2016-03-09 Around the turn of 21st Century Spain welcomed more than six million foreigners many of them from various parts of the African continent How African immigrants represent themselves and are represented in contemporary Spanish texts is the subject of this interdisciplinary collection Analyzing blogs films translations and literary works by contemporary authors including Donato Ndongo Equatorial Guinea Abderrahman El Fathi Morocco Chus Guti rrez Spain Juan Bonilla Spain and Bahia Mahmud Awah Western Sahara the contributors interrogate how Spanish cultural texts represent idealize or sympathize with the plight of immigrants as well as the ways in which immigrants themselves represent Spain and Spanish culture At the same time these works shed light on issues related to Spain s racial ethnic and sexual boundaries the appeal of images of Africa in the contemporary marketplace and the role of Spain s economic crisis in shaping attitudes towards immigration Taken together the essays are a convincing reminder that cultural texts provide a mirror into the perceptions of a society during times of change

Unbridled Calling Mónica Szurmuk, 2024-09-02 How can a child born in the Russian Pale at the end of the 19th century become one of the most celebrated journalists in Latin America and a writer admired by Jorge Luis Borges In this biography M nica Szurmuk delves into the different aspects of the life of writer journalist and politician Alberto Gerchuinoff Thoroughly researched in four different continents this book is as much an account of the life of Alberto Gerchunoff as an investigation into the Jewish world of the first half of the twentieth century and the different spaces where Jewish and Latin American cultural and political life intersect
