selected as representative of Edwards the preacher rather than of Edwards the theologian Publishers Weekly The Enfield Sermon with its terrible realism of description is paired with a revival sermon of another type that on Ruth s Resolution The sermon on Man s Dependence and on Spiritual Light show him as a powerful champion of his theology The Farewell sermon is virtually the apologia of his ministerial life and the other two represent still different types The notes are interesting in connection with the sermons The Unitarian Register Besides the lengthy introduction by Professor Gardiner there are seven sermons of the great preacher in this little volume The Bookman As a specimen of the great theologian s style and thought these selections will be useful The Christian Advocate A very careful reprint of seven selected sermons and an appendix of notes The editorial work has been excellently done The American Journal of Psychology CONTENTS INTRODUCTION SERMONS I God Glorified in Man s Dependence 1731 II The Reality of Spiritual Light 1733 III Ruth s Resolution 1735 IV The Many Mansions 1737 V Sinners in the Hands of an Angry God 1741 VI A Strong Rod Broken and Withered 1748 VII Farewell Sermon 1750 NOTES *The Select Works of Jonathan Edwards: The religious affections* Jonathan Edwards, Iain H. [The Select Works of Jonathan Edwards](#) Jonathan Edwards (the Elder, M.A., President of the College of New Jersey.), 1959 *The Enlightenment and the Intellectual Foundations of Modern Culture* Louis Dupre, 2008-10-01 The prestige of the Enlightenment has declined in recent years Many consider its thinking abstract its art and poetry uninspiring and the assertion that it introduced a new age of freedom and progress after centuries of darkness and superstition presumptuous In this book an eminent scholar of modern culture shows that the Enlightenment was a more complex phenomenon than most of its detractors and advocates assume It includes rationalist as well as antirationalist tendencies a critique of traditional morality and religion as well as an attempt to establish them on new foundations even the beginning of a moral renewal and a spiritual revival The Enlightenment's critique of tradition was a necessary consequence of the fundamental modern principle that we humans are solely responsible for the course of history Hence we can accept no belief no authority no institutions that are not in some way justified This foundation for better or for worse determined the course of the following centuries Despite contemporary reactions against it the Enlightenment continues to shape our own time and still distinguishes Western culture from any other
