

UNKNOWN COLOUR

(for *Winifred Nicholson*)

Turning her back to the wind,
The fields take her,
the grass leaving and returning
chiaroscuro, green, brown, and white.

Colour creates its own rhythm,
pulling her towards
the arc of trees,
the merging of rooks with the air.

In jars on the window sill,
She keeps wild flowers.
Harebell and campion
surge in at the morning's edge.

Even in dull weather
There is plenty to look at.
The curlew rising through soft banks of rain,
above the roughened furrow.

Water fills streams.
The soil grows wheat.
Blue mist covers her hands with dew.
The paintings are full of light.

New Poems And Archives
