The Boundaryless Organization Ron Ashkenas, Dave Ulrich, Todd Jick, Steve Kerr, 2015-06-15 In 1995 The Boundaryless Organization showed companies how to sweep away the artificial obstacles such as hierarchy turf and geography that get in the way of outstanding business performance Now in this completely revised edition of their groundbreaking work management experts Ron Ashkenas Dave Ulrich Todd Jick and Steve Kerr offer an up to date version of their comprehensive guide to help any organization go boundaryless and become a company with the ability to quickly proactively and creatively adjust to changes in the environment With new examples a new commentary on the developments of the last five years and illuminating first hand accounts from pioneering senior executives the authors once again show why boundaryless is a prerequisite for any organization trying to succeed in the economy of the twenty first century

Results-Based Leadership David Ulrich, Jack Zenger, Norman Smallwood, 1999-04-06 A landmark book Results Based Leadership challenges the conventional wisdom surrounding leadership Authors Ulrich Zenger and Smallwood world renowned experts in human resources and training argue that it is not enough to gauge leaders by personal traits such as character style and values Rather effective leaders know how to connect these leadership attributes with results Results Based Leadership shows executives how to deliver results in four specific areas results for employees for the organization for its customers and for its investors The authors provide action oriented guidelines that readers can follow to develop and hone their own results based leadership skills By shifting our focus to the connection between the attributes and the results of leadership this perceptive new guide fundamentally improves our understanding of effective leadership Results Based Leadership brings a refreshing clarity and directness to the leadership discussion providing a hands on program to help executives succeed with their leadership challenges

Journal of School Leadership , 2005-07 International Journal of Manufacturing Technology and Management , 2004 **Bridging the Diversity Divide** Edna Chun, Alvin Evans, 2009-05-18 The sweeping forces of globalization present new challenges for higher education but also represent a clear mandate for change Because of the unfinished business of remedying the representation of minorities and women in higher education this book is designed to assist campus leaders and educators in the difficult process of cultural transformation in support of diversity and inclusion The book explores the model of reciprocal

empowerment as a moral framework linking the institution's values, culture and workplace practices to the outside world through the prism of diversity. The focus is on research-based strategies which will enable institutions of higher education to assess current practices, create successful action plans and move beyond structural representation to true reciprocal empowerment. The measurement strategies, organizational learning tools and best practices included here will assist institutions of higher education in building a flexible repertoire of institutional approaches to reciprocal empowerment and inclusion.
