What's Right with Preaching Today? Mike Graves, André Resner, 2021-03-09 In 1928 when Riverside Church NYC pastor Harry Emerson Fosdick asked the question in Harpers Magazine What s the Matter with Preaching Today he did not know that one response to that question had just entered the world in Humboldt Tennessee Fred B Craddock revolutionized preaching theory and practice by flipping pulpit logic from deductive to inductive often called the preaching as storytelling revolution and in so doing brought renewed interest and impact to the practice of preaching effectively rescuing it from an often tedious and moralizing fate With Fred preaching was anything but boring Rather it was an exciting and enlightening ride that led to the renewal of faith To honor Craddock s legacy Mike Graves and Andre Resner invited ten leading voices in homiletics to identify something that is right about preaching today In addition they issued a call to a wide variety of people to contribute stories about Fred s impact on their lives and ministries Twenty seven remembrances of Fred are included here throughout the book If you appreciate effective and engaging preaching as either a preacher or listener the essays and remembrances here will speak to you and provide encouragement about preaching s present and future With contributions from Ronald J Allen Barbara K Lundblad Alyce McKenzie Debra J Mumford Luke Powery Andre Resner Richard Ward Dawn Ottoni Wilhelm Paul Scott Wilson **Southern Baptist Preaching Today** R. **What's the Matter with Preaching Today?** Mike Graves, 2004-01-01 Seventy five years ago renowned preacher Harry Emerson Fosdick asked in Harper s Magazine what s the matter with preaching Fosdick s question is even more relevant today as both pastors and laity acknowledge the need for improvement in Sunday morning s sermons And who better for pastors and students to learn from than those who already do it well The contributors to this book are a some of the best and most thoughtful preachers in the church and classroom today In their essays they assess the state of preaching today identify a variety of issues that challenge effective preaching and offer helpful suggestions for what can be done to improve preaching In the process they help to define what effective preaching is

*Preaching with Humanity* Geoffrey Stevenson, Stephen Wright, 2008 How can old fashioned preaching survive in today s culture How can we preach with humanity not to it or at it Whether you re a new enthusiast or an experienced practitioner this book will help you in the life long process of becoming a preacher with humanity

**The Anatomy of Preaching** David L. Larsen, 1989 Insight and commentary on fifteen issues that affect a pastor s effectiveness including making a sermon flow escaping predictability and using narrative effectively

**Anglo-American Preaching** Hobart Deitrich McKeehan, 1928 *Christianity Today* , 1979 **The One Year Devotions for Men on the Go** Stephen Arterburn, Bill Farrel, 2013-03-08 Designed to encourage readers to spend time reading and meditating on the truth of God s Word these brief devotions based solidly in Scripture are ideal for reading over

morning coffee waiting in the car for children after school or anytime people on the go want to make the most of just a few minutes These devotions will encourage men and women to meditate on God's Word daily even in the midst of a busy active schedule The Advance, 1911 **The Gospel for Today** R. A. Torrey, 2017-10-30 The Gospel presented in these sermons is the same Gospel of a crucified Christ a Saviour from the guilt of sin and a risen Christ a Saviour from the present power of sin that we have been preaching throughout our entire ministry as pastor and as evangelist in all parts of the world We are certainly living in a New Day The War and its after results have worked a radical transformation in the ethical and religious as well as social and economic outlook of the minds of the men and women of the present day nevertheless we find that the same Gospel that was the power of God unto salvation before the War and from the days of the Apostle Paul Rom 1 16 is the Gospel that men will listen to and yield to today All of these new gospels The Social Gospel with the rest are proving utterly ineffective in saving individual men or in lifting up communities The Real Gospel when preached in the power of the Holy Spirit produces the same effects in individual lives to day and in the transformation of families and communities that it has produced throughout all the centuries since our Lord Jesus Christ died on the Cross of Calvary and rose again and ascended to the right hand of the Father and poured out His Holy Spirit upon His people Practical results prove that that Gospel does not even need to be restated though of course it is desirable to adapt the illustrations and method of argument to the thinking of our own day Preaching and Public Speaking Nels Lars Nelson, 1898 *Homiletics and Hermeneutics* Scott M. Gibson, Matthew D. Kim, 2018-12-04 Scott Gibson and Matthew Kim both experienced preachers and teachers have brought together four preaching experts Bryan Chapell Kenneth Langley Abraham Kuruvilla and Paul Scott Wilson to present and defend their approaches to homiletics Reflecting current streams of thought in homiletics the book offers a robust discussion of theological and hermeneutical approaches to preaching and encourages pastors and ministry students to learn about preaching from other theological traditions It also includes discussion questions for direct application to one's preaching *Preaching Jesus Christ Today* Annette Brownlee, 2018-05-15 This book approaches preaching as a theological practice and a spiritual discipline in a way that is engaging straightforward and highly usable for busy preachers Bringing to bear almost three decades of practical experience in the pulpit and the classroom Annette Brownlee explores six questions to help preachers listen to Scripture move from text to interpretation for weekly sermon preparation and understand the theological significance of the sermon Each chapter explains one of the Six Questions of Sermon Preparation provides numerous examples and illustrations and contains theological reflections The final chapter includes sample sermons which put the Six Question method into practice *The Architecture of Truth* Rodger Woodworth, 2023-08-11 Today we are battered with a never ending barrage of competing truths Social media overwhelms us with topics on how to live our best lives but eventually we discover just how conflicting these truths really are With this constant stream of incompatible assertions it is difficult to find footing in the architecture of truth It almost seems that objective truth has been put on trial

Untruths are being promoted by politicians quest for power and populism s drive for attention The idea that there are many different truths seems appropriate for today s pluralistic world but when we can define our own truth truth is derived from the one with the loudest voice The apostle Paul addresses these issues in his letter to Titus exhorting him to teach them to know the truth because false teachers were turning whole families away from the truth and they do it only for money In his effort to refute error and unmask falsehood Paul gives one of the most condensed and yet comprehensive summaries of the gospel in Titus 3 1 8 In this passage the apostle constructs the architecture of truth that teaches us to live a life different than the world of untruths around us Year Book of the Central Conference of American Rabbis Central Conference of American Rabbis,1925 Containing the proceedings of the convention
