## **Narrative Reader:**

**The Narrative Reader** Martin McQuillan,2000 The Narrative Reader aims to provide a comprehensive survey of narrative theories ranging from Plato to Post Structuralism The selection of texts is bold and broad demonstrating the extent to which narrative permeates the entire field of literature and culture It shows the ways in which narrative crosses disciplines continents and theoretical perspectives and is a long overdue and welcome addition to the field The Narrative Reader will fascinate students and researchers alike providing a much needed point of entry to the increasingly complex field of narrative theory

**The Narrative Reader** Martin McQuillan,2000 The Narrative Reader provides a comprehensive survey of theories of narrative from Plato to Post Structuralism The selection of texts is bold and broad demonstrating the extent to which narrative permeates the entire field of literature and culture It shows the ways in which narrative crosses disciplines continents and theoretical perspectives and is a long overdue and welcome addition to the field Canonical texts are combined with texts which are difficult to get hold of elsewhere and new translations and introductory material are presented The texts cover many crucial issues and topic

The History and Narrative Reader Geoffrey Roberts,2001 Are historians story tellers Is it possible to tell true stories about the past These are just two of the questions raised in this comprehensive collection of texts about philosophy theory and methodology of writing history
