Jennifer Veenendall,2009-05-18 Meet Izzy a feisty first grader whose behavior is often misunderstood as she tries to cope with sensory overload in her new surroundings This brightly illustrated book creates an environment that is accepting of students with sensory modulation difficulties including many on the autism spectrum It s a great resource for occupational therapists teachers and parents to share with children Resources for adults at the end of the book include definitions of sensory processing and sensory modulation disorder suggested discussion questions and lists of related books and websites Modern missions, their trials and triumphs Robert Young (of the Free ch. of Scotland.),1881 **Why Does Izzy Cover Her Ears?** ,2009 Illustrated children s book dealing with the challenges at home and at school of sensory overload symptoms and tools for mitigating them and enabling children to function and learn more successfully
